the health care manager's legal guide provides healthcare management students and professionals with a one of a kind resource on successfully negotiating the legal pitfalls across healthcare's complex institutional and commercial landscape. Healthcare managers today must tread carefully as never before to avoid legal issues grounded in the expert guidance of healthcare managers, health administration educators, and attorneys. The health care manager's legal guide covers the numerous legal obstacles managers confront on a daily basis from human resources and employee and patient privacy to disciplinary action and union organizing. The health care manager's legal guide provides practical information on avoiding these and other common legal hazards encountered when managing a healthcare workforce using straightforward language. This book serves as an essential resource for aspiring and working healthcare managers. The health care manager's legal guide features practical legal guidance presented in easy to understand terms, a minimum of legalese, a review of the most important laws directly affecting healthcare managers, study and discussion questions in every chapter.

A how to guide for hospitals and healthcare facilities to free themselves from their dependency on staffing agencies and outside healthcare recruiters. The author teaches healthcare employed staff how to find and recruit qualified healthcare candidates exactly as he has taught staffing agencies and recruiting firm staff.

Health care administration continues to be the definitive guide to contemporary health administration and is a must have reference for students and professionals. This classic text provides comprehensive coverage of detailed functional, technical, and organizational matters.

One of the most trusted resources on health care law, legal aspects of health care administration, fourteenth edition, is an ideal introduction to the legal and ethical issues in the healthcare workplace. Exploring a wide range of health care topics from tort reform and healthcare ethics to patient rights and managed care, written in a comprehensible and engaging manner, this indispensable text will carefully guide your students through the complex maze of the legal system and will serve them throughout their professional lives. With over 40 years of experience as an administrator, consultant, and surveyor across 650 hospitals, author George D. Pozgar provides a uniquely accessible tool for grasping the legal complexities of health care through an array of real life case studies, precedent making court cases, and key statistical data. Case studies detailing real world legal issues in healthcare settings prepare students for the realities of healthcare administration. Court cases help illustrate and explain both the origin of laws and policies as well as their current day applications in the healthcare field. Discussion of past and current healthcare reform and policy changes provide context for the current legal issues in healthcare. New coverage of COVID-19 including examples of COVID-19 related lawsuits, expanded coverage of patient consent rights and responsibilities now covered in two separate chapters, integrated and comprehensive coverage of current human resources topics in a single chapter that examines labor relations, employment rights and responsibilities, and more. Navigate eBook access included with the printed text provides online or offline access to the digital text from a
