some time ago ralph winter brilliantly identified three eras of modern missions era 1 william carey focused on the coastlands era 2 hudson taylor focused on the inlands era 3 donald mcgavran and cameron townsend focused on unreached peoples with all the fast and furious changes swirling around us today in twenty first century missions have we entered a fourth era if so who are the people primarily involved how are they selected how are they trained how long do they serve has the third era ministry focus reaching the unreached changed if so to what are there any successful case studies out there have mcgavran and townsend passed the baton to a new leader s if so to whom this book seeks to answer these and related questions contributors dr ben beckner dr monroe brewer dr don finley mike griffis dr gary hipp md jerry hogshead kaikou maisu judy manna kenn oke dr a sue russell dr robert strauss peter swann bryan thomas diane thomas dr mike wilson dr sherwood g lingenfelter

during the last 10 years more and more linguistic and psycholinguistic research has been devoted to the study of discourse and written texts much of this research deals with the markers that underline the connections and the breaks between clauses and sentences plus the use of these markers by adults and children in the production and comprehension of oral and written material in this volume major observations and theoretical views from both sides of the atlantic are brought together to appeal to a wide range of linguists psychologists and speech therapists the volume presents contributions from researchers interested specifically in adult language and from others concerned with developmental aspects of language some contributors deal primarily with production whereas others concentrate on comprehension some direct their attention to oral discourse while others focus on written texts to preserve overall coherence however the contributors were given the following recommendations with regard to the level of linguistic analysis the emphasis should be on the clause level more particularly on the relationships between clauses special emphasis should also be placed on linguistic markers e g connectives markers of segmentation punctuation an overview of a given field of research should be offered and current research should be put into perspective for contributors in the developmental field attention should be paid to the fact that an account of the acquisition of some language functions throughout childhood should be included only if general principles of interclause relations that might be masked by the exclusive examination of adult evidence could be derived from it

this book constitutes the refereed proceedings of the 33rd annual european conference on information retrieval research ecir 2011 held in dublin ireland in april 2010 the 45 revised full papers presented together with 24 poster papers 17 short papers and 6 tool demonstrations were carefully reviewed and selected from 223 full research paper submissions and 64 poster demo submissions the papers are organized in topical sections on text categorization recommender systems ir ir evaluation ir for social networks cross language ir ir theory multimedia ir ir applications interactive ir and question answering nlp

matthew gorkos begins the storied church with this compelling statement i believe in the church in the power of faithful people serving a good and gracious god and i believe in the power of a good story moreover i believe as this book will argue that church and story harnessed together could be an even more powerful force for goodness in our world neuroscientists anthropologists

archeologists and psychologists all agree story is how our brains and our communities make sense of things storytelling helps us cope with change and loss storytelling helps us transmit lessons and life skills to the next generation as human beings it seems we can t do without story this book indeed this whole idea of story centered church renewal was born of a suspicion that the restorative transformative life giving function that stories have for us as individuals may serve communities of faithful people as well if stories help us survive as human creatures why can t they help churches survive the problem that story centered renewal seeks to remedy has only become more prevalent and urgent in the age of covid 19 our churches need hope now more than ever writing from a pastor s perspective gorkos hopes to encourage and empower other pastors and lay leaders with both the hope and the tools they need to effect revitalizing change in their faith communities each chapter includes questions for reflection to help readers listen to and tell the stories that will lead to renewal and transformation

this reader is the first comprehensive look at representations of race gender disability body size age and sexuality in us entertainment media the bible of media representation it weaves contemporary media examples together with quantitative data and qualitative case studies in a way that is accessible to students industry insiders and media advocates using over twenty publicly available reports and datasets the authors provide the most detailed picture to date of how different groups have historically been erased and misrepresented in film and television this book should be on the shelf of every person who seeks to understand the significance of media inclusion for the advancement of traditionally marginalized groups in the us

provides a guide to current eu institutions practices and policies with an overview of the achievements of european integration and the challenges that currently face the european union

rather than simply examining gender differences in student performance this book presents various aspects and considerations of gender equity in classroom teaching through conversations with and observations of eight teachers it highlights the differences between teacher beliefs and practices shows how educational institutions contribute to the formation or development of those beliefs and practices and describes how individual teachers within those institutions can and do combat the inequities resulting from gender socialization

using a variety of critical and theoretical approaches the contributing scholars to this collection analyze culturally specific and globally held attitudes about mothers and mothering as represented in world cinema examining films from a range of countries including afghanistan india iran eastern europe canada and the united states the various chapters contextualize the socio cultural realities of motherhood as they are represented on screen and explore the maternal figure as she has been glamorized and celebrated while simultaneously subjected to public scrutiny collectively this scholarly investigation provides insights into where women s struggles converge while also highlighting the dramatically different realities of women around the globe
