playtime is over why i choose this title was base on my bible studies of the signs nearing the coming of our lord and savior jesus christ that his coming is nearer even at the door the world is full of wars crime killing one another children disrespectful to parents no spiritual foundation in the homes churches just for worldly desires people turning away from god and his word no prayer in the homes or bible studies the majority concern about the things of this world rather then gods word and heaven they want to go but don t want to change or make changes in there life only want to have fun don t miss understand me its ok to relax at times you ask your friend to go out and party or shack there stuff its ok they be ready to go but when it comes to god and his word hey some other time i use to be that person but i read i learn except a man be born again he cannot enter to heaven we must except christ as our personal savior an trust him an move out in faith an his word the bible and his word has to be the guild book the road map to heaven satan knows that so his job is to keep u from studying an following his word and sharing with others of all colors and race my friends i am a sinner in need of christ as well we all have something to work on some more then others but there is hope for everyone in the old testament the children of israel got delivered from egypt my god but shocking they did not make to the promise land wow unbelievable they died they almost made it woe what happen what happen we can read it in the book of lcorinthians 10 5 9 and it s a example for us that it can happen woe read it now these things became our examples to

the intent that we should not lust after evil things as they also lusted and do not become idolaters as were some of them the people sat down to eat and drink and rose up to play nor let us commit sexual immorality as some of them did and in one day 23 000 fell in other words playtime is over

lest you think that dr coleman has quit preachin and gone to meddlin in this sensitive topic of music and especially church appropriate music please give this book a chance coleman draws from many sources both seventh day adventist and non adventist to explain just how the type of music we use in church worship services affects our worship experience and our christian experience when addressing the current trend of contemporary christian music ccm he assures the reader that he is not against all ccm but cautions against using a song just because it may be popular or may draw a certain crowd into the church he shows how merely the use of contemporary music may attract people to attend church but it doesn t necessarily lead to a true conversion or the intentional discipling of those people dr coleman states the seeker sensitive model involved a de emphasis of traditional methods of evangelism and discipleship such as doctrinal preaching calling for repentance from sin and committing oneself to give bible studies rather it focused on innovation and meeting the wants of people often dubbed felt needs the seeker sensitive model also caused people to view christianity as something cool and made them feel comfortable in dressing down to attend church worship service sometimes in jeans and a t shirt however it resulted in producing spiritually weak christians who were pastor dependent and not committed to making disciples for christ

music ministry leaders and anyone who enjoys music in church will learn to be a little more discriminating in the choice of music after gaining the insights provided in this book
