Chris Rea Chordie Guitar Chords Guitar Tabs And Lyrics Decoding the Magic Chris Rea Chord Charts Tabs and Lyrics A Deep Dive Chris Rea The name conjures images of smoky pubs soulful vocals and a distinctive guitar style that blends blues rock and a touch of Italian flair For aspiring guitarists learning to play his songs is a rite of passage But navigating the world of Chris Rea chord charts guitar tabs and lyrics can be daunting This comprehensive guide will equip you with the knowledge and resources to master his music from finding reliable sources to understanding his unique playing techniques

The Allure of Chris Rea's Music

Before we dive into the specifics of tabs and chords let's acknowledge the reason behind the enduring popularity of learning Chris Rea's songs His music isn't just about technically proficient guitar playing it's about emotion His distinctive slide guitar work often played on a National Resophonic guitar creates a haunting and melancholic tone that resonates deeply with listeners His storytelling lyrics often infused with personal experiences and observations add another layer of depth This combination makes learning his music a rewarding experience extending beyond simply mastering finger positions

Finding Reliable Chord Charts and Guitar Tabs

The internet is flooded with chord charts and tabs but not all are created equal Some are inaccurate incomplete or simply poorly transcribed To ensure you're learning the song correctly prioritize these sources

- UltimateGuitar.com** This is a widely respected resource with a large community that contributes and verifies tabs Always check the rating and number of views before selecting a tab Look for tabs with comments indicating accuracy
- Songsterr.com** Songsterr offers interactive tabs with playback functionality allowing you to listen to the song while following along with the tab This is particularly helpful for understanding the rhythm and nuances of Rea's playing
- Official Chris Rea Website** if available Check the official website for any official tabs or sheet music While this is less common it's the most reliable source if available

2 Music Books and Sheet Music

Consider purchasing official Chris Rea songbooks These often provide accurate transcriptions and valuable insights into his musical style

Analyzing Chris Rea's Guitar Style

Understanding Rea's guitar playing techniques is crucial for accurate and expressive performances Key elements include

- Slide Guitar Mastery** Rea's signature sound is heavily reliant on his masterful slide guitar playing He uses a glass or metal slide producing a distinctive smooth and often melancholic tone Practice sliding smoothly between notes paying attention to vibrato and sustain
- Open Tunings** While many of his songs are in standard tuning some incorporate alternative tunings Familiarize yourself with these tunings to accurately reproduce the sound
- Rhythm and Groove** Rea's rhythm playing is often subtle and understated yet incredibly effective Focus on developing a solid rhythmic foundation Listen carefully to the drums and bassline to understand the underlying groove
- Chord Voicings** Rea often utilizes unconventional chord voicings adding richness and texture to his music Experiment with different voicings to find the ones that best suit your style and the song's mood

Practical Tips for Learning Chris Rea Songs

- Start Simple** Don't jump into his most complex songs immediately Begin with simpler songs to build your foundation
- Break it Down** Divide the song into smaller sections mastering each section before moving on
- Listen Repeatedly** Listen to the original recordings multiple times before attempting to play the song Pay attention to the nuances of Rea's playing
- Practice Regularly** Consistent practice is key Even short focused practice sessions are more effective than infrequent longer ones
- Record Yourself** Recording yourself playing helps you identify areas for improvement
- Join a Community** Connect with other Chris Rea fans and guitarists online or in person to share tips and experiences

Beyond the Chords: Understanding the Lyrics

Chris Rea's lyrics are as crucial to the overall experience as the music itself They are often deeply personal reflecting his observations on life travel and his own experiences Taking the time to understand the meaning behind the lyrics will enrich your understanding and

a very comprehensive book containing chords from the beginning stages and beyond everything is very well explained with no stone left unturned i d highly recommend it to anyone who s starting out with the guitar nigel elliott guitarist tutor n ireland guitar chords for beginners contains 65 different chords arranged in easy fingerings technique fretting hand technique for playing guitar chords is looked at in detail with diagrams where necessary some chords are taught incrementally because taking on only the harder aspects of a chord s fingering first means our hand is freer to adjust other chords are shown with different fingerings for you to choose which you prefer playing guitar chords may seem like a contortion for the hands of the beginner so there is some basic guidance on stretching to keep the hands flexible audio and more each guitar chord has a downloadable audio example enabling you to hear if you have played it right or to

hear what you need to work towards there is an introduction to moveable power chords and barre chords in which barre chords are shown as easier cut down versions of full barre chord shapes at the back of guitar chords for beginners there is a list of suggested songs that contain chords from within the book grab a copy today i like what s been put together the information covered in technical issues for beginners especially explaining the difference between chords on piano and guitar is great i think starting with the small position chords for c and g etc and building up to full position is also really important for beginners the picture diagrams of hand position is a nifty feature i know lots of beginners respond more to visuals and will often revert to looking at the hand pictures rather than the chord diagrams also think the added audio clips are a great feature so students can compare the sounds of their chords with the audio for reference there could be a couple of chord progressions at the end of each section apart from the song suggestions at the end of the book and strumming patterns that would be an added feature that i think could work nicely although this would make for a larger book and it is only 1 99 for the ebook otherwise i think what s been put together is great anthony bierman bmus hons contemporary jazz guitar south africa looks fab i particularly like the different ways of playing the a chord the physical warm up exercises for flexibility are also good it is good that movable major and minor barre chords are shown as partial versions to make them initially easier and beginners might find extra interest where near the back of the book easy open versions of other more exotic chords are shown such as dm maj7 the james bond chord campbell murray rgt mu registered tutor scotland

first chords is the ultimate basic guitar chord book containing over 1500 guitar chords 36 fingerings for each of the 12 keys this book organizes chords of each key into categories such as common easy alternate barre and moveable forms 1 and 2 making it easy for you to find the perfect chord for your needs this is the ideal chord book and thanks to its layout and depth this may be the only chord book you ll ever need
