this study explores the relevance of beliefs virtues personal and cultural stories images and metaphors and canonical genres to the ways in which we understand and carry out the task of teaching

the author was conducting a workshop for teachers in a church and was handed a note by a young woman in the workshop the note read i have never taught anything or anyone i don t know how to begin to prepare can you help dr coleman meets scores of teachers just like the young woman he

indicates there are men and women who are doing their best but who have serious doubts about their adequacy as teachers of the bible wherever you meet them they ask these same questions how can i learn enough about the bible to have something worth sharing with my class how can i get the members of my class involved in the lessons so i won t have to do all the talking how do you get people interested when they seem so indifferent to bible study is there any way to get the class members to study their lessons how do you lead class members to do something about the message of the bible other than just sit there and discuss it where can i find out more about teaching methods how do you prepare a teaching plan these workers care deeply about bible teaching they want to do a good job but they don t quite know how to go about it and that explains the reason for this book dr coleman integrates theory and practice in a how to do it book which combines discussions of teaching with skill building exercises he brings the elements of a bible teacher s conference to the individual who has had no opportunity to attend such a conference at the same time the book may also be used as a textbook for teacher training workshops

bring the bible to your students like never before communicating the scriptures is much like building a bridge however instead of ravines or rivers the teacher must span both cultural boundaries and great gulfs of time between the present and the pasts of moose david jesus and paul though god s word is always relevant the teacher must help students see scripture s vast treasures the effective engaging bible teacher must therefore become creative together lawrence richards and gary bredfeldt have created the ultimate guide to building bridges for those seeking to learn about god s word creative bible teaching offers a five step process by which christian educators can construct a bridge across time geography and culture to help students of all ages connect with god s word this newly revised edition makes learning about god s word more accessible for both teachers and students today simple clear and memorable the method laid out in creative bible teaching provides a sure fire way of communicating god s word in a way that sticks

a purpose driven discipleship resource discover the key that can strengthen beliefs to change behavior lessen your day to day stress level increase your security in an insecure world help you raise your kids with a right perspective on life increase your love for and trust in god many christians today live their lives plan their schedules and use their resources completely disconnected from what they say they believe this spiritual disconnect is the cause of so much of the stress and problems in our lives foundations is a fresh innovative curriculum about the essential truths of the christian faith and how these truths are to be lived out in your relationships your character and your work rather than just teaching doctrinal knowledge this course shows you how to apply biblical truths and implement them in your everyday life 1 the bible 2 god 3 jesus 4 the holy spirit 5 creation 6 salvation 7 sanctification 8 good and evil 9 the afterlife 10 the church 11 the second coming from saddleback church proven and refined over ten years foundations is designed to help bring believers to maturity strengthening them to live a purpose driven life

why does bible study flourish in some churches and small groups and not in others in this updated edition of a trusted classic two christian education specialists provide readers with the knowledge and methods needed to effectively communicate the message of the bible the book offers concrete guidance for mastering a biblical text interpreting it and applying its relevance to life its methods which have been field tested for twenty five years help pastors teachers and ministry students improve their classroom skills readers will learn how to develop the big idea of a passage and allow the text itself to suggest creative teaching methods this new edition has been updated throughout and explores the changed landscape of bible study over the past two decades readable and interdisciplinary in approach this book will help a new generation of bible students teach in a purposeful and unified way

while books on pedagogy in a theoretical mode have proliferated in recent years there have been few that offer practical specific ideas for teaching particular biblical texts to address this need teaching the bible a collection of ideas and activities written by dozens of innovative college and seminary professors outlines effective classroom strategies with a focus on active learning for the new teacher and veteran professor alike it includes everything from ways to incorporate film literature art and music to classroom writing assignments and exercises for groups and individuals the book assumes an academic approach to the bible but represents a wide range of methodological theological and ideological perspectives this volume is an indispensable resource for anyone who teaches classes on the bible

you want your kids to become intimate with god s word but too often it seems like an exercise in boredom thankfully veteran youth ministers bill mcNabb and steven mabry have come to the rescue with teaching the bible creatively mcNabb and mabry have distilled their years of experience into a comprehensive idea packed volume that both outlines what makes bible teaching creative and gives you dozens of ideas you can use right now to inject new life into your bible studies mcNabb and mabry cover a wide range of topics including how to motivate kids to want to study the bible how to teach so that kids will remember ways to make your study setting ideal for learning how to make bible teaching relevant to today s youth culture ideas for improving your teaching technique how your bible teaching can make a difference in your kids lives whether you re a youth worker a ce director or a sunday school teacher teaching the bible creatively is just what you ve been looking for to add more spark energy and substance to your bible teaching

written for lay leaders pastors or individuals wanting to broaden their approach to scripture this book includes ten strategies for effective bible study

educators have a moral as well as a professional responsibility to address the needs of persons entrusted in their care that moral responsibility involves 1 acknowledging one s christian conscience which is non negotiable 2 respecting the christian conscience of others while taking seriously the educational needs of students and 3 maintaining relationships with varied stakeholders to the extent that they are cognizant of their overall responsibilities to the children and young adults served my goal in this book is

to share strategies for achieving and maintaining improved student achievement recognition of the magnitude of all the variables which lie therein led to the formulation of the text the teaching learning process undergirded by biblical teachings through this synergy of effort combined with elements of spirituality we shall experience noticeable changes in attitudes pedagogy and teacher student expectations biblical quotations contained herein are from the king james version because of the dismal educational circumstances facing our nation it is imperative that leaders in the school system teachers parents community and governmental leaders and prospective teachers seek to develop a spirit of excellence in our educational institutions each of us has a responsibility to god to those whom we serve and to ourselves to safeguard our schools where do we go for help we go to the scriptures one of which is proverbs 3 5 trust in the lord with all thine heart and lean not to thine own understanding where do we start we begin with faith hope and love we must have faith in god faith in ourselves and faith in our children there must be a firm hope in what will come tomorrow tomorrow comes with positive rewards when there are scriptural acknowledgements finally love places quality into service when one has love his her words and actions are magnified love lasts and what it does will last love is the greatest gift and has the greatest rewards because god is love 1 john 4 8 the thesis of the proposed textbook is that the teaching learning process is effective when undergirded by scriptural principles stated succinctly the thesis posits that we should teach and learn the bible way certainly such actions assure positive rewards
