using st paul s metaphor of the eyes of the heart in his letter to the ephesians as a psycho spiritual approach to the study of spirituality the author unravels the spirituality of st paul st peter st james king saul king david and the prophet jonah

reprint of the original first published in 1845 the antigonos publishing house specialises in the publication of reprints of historical books we make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

this is the untold story of the most celebrated part of the constitution until the twentieth century few americans called the first ten constitutional amendments drafted by james madison in 1789 and ratified by the states in 1791 the bill of rights even more surprising when people finally started doing so between the spanish american war and world war ii the bill of rights was usually invoked to justify increasing rather than restricting the authority of the federal government president franklin d roosevelt played a key role in that development first by using the bill of rights to justify the expansion of national regulation under the new deal and then by transforming the bill of rights into a patriotic rallying cry against nazi germany it was only after the cold war began that the bill of rights took on its modern form as the most powerful symbol of the limits on government power these are just some of the revelations about the bill of rights in gerard magliocca s the heart of the constitution for example we are accustomed to seeing the bill of rights at the end of the constitution but madison wanted to put them in the middle of the document why was his plan rejected and what impact did that have on constitutional law today we also venerate

the first ten amendments as the bill of rights but many supreme court opinions say that only the first eight or first nine amendments why was that and why did that change the bill of rights that emerges from magliocca's fresh historical examination is a living text that means something different for each generation and reflects the great ideas of the constitution individual freedom democracy states rights judicial review and national power in time of crisis

the heart of the story will help you see god's word in a new and inspiring light in the bible's seemingly disconnected stories you'll discover one grand unfolding epic god's story from genesis onward and your own life story contained within it to understand the bible says author and pastor randy frazee you need bifocal lenses because two perspectives are involved the lower story our story is actually many stories of men and women interacting with god in the daily course of life the upper story is god's story the tale of his great overarching purpose that fits all the individual stories together like panels in one unified mural in this new edition randy dives deeper in the upper and lower stories and shows how both perspectives will open your eyes to the richness and relevance of the bible illuminating god's master plan from genesis to our daily lives the heart of the story will encourage you to experience the joy that comes from aligning your stories with god's

in the heart of the world is a powerful portrait of one of the most beloved women of all time told in her own words through a fascinating blend of daily life experiences prayers and spiritual wisdom follow mother teresa to the streets of calcutta rome and new york and listen as she offers pearls of spiritual truth as relevant today as when

after the death of their father collette and jean michel langelier are no longer tied to post war france while his sister dreams of adventure jean michel is hoping to finally escape reminders of the horrors he faced in the war when jean michel receives an unexpected invitation for them to visit alaska and the curry hotel it seems an opportunity for a change he needs katherine demarchis is a young widow who does not grieve the dangerous husband she was forced to marry now she just wants to retreat to a quiet life content to be alone first though she's agreed to accompany her grandmother on a final trip but never expects to see a man from her past katherine and jean michel once shared a deep love that was torn apart by forces beyond their control reunited now have the years changed them too deeply to rediscover what they had and when jean michel's nightmares return with terrifying consequences will faith be enough to heal what's been broken for so long
