by synthesizing both theoretical and empirical insights this book offers a distinctive perspective on procedural justice
within the context of anti dumping investigations the book highlights the disjunction between the provisions outlined in
the world trade organization s anti dumping agreement ada and the practical encounters faced by stakeholders such
as exporters regulatory bodies and legal experts affiliated with the wto employing a mixed method approach the
research encompasses a comprehensive doctrinal analysis of procedural complexities alongside empirical
investigations involving key stakeholders such as wto legal experts chinese exporters and investigating authorities

furthermore this book underscores the potential for enhancing procedural justice through either a comprehensive reform of the ada or concrete measures such as a standardized anti dumping questionnaire such improvements offered in the book have the potential to curtail the misuse of anti dumping investigations consequently mitigating a substantial number of disputes that might be brought before the wto s dispute settlement mechanism

the code of federal regulations is the codification of the general and permanent rules published in the federal register by the executive departments and agencies of the federal government
