this book explores the significant yet understudied role of non state actors nsas as agents of disruption and dissent in public diplomacy while existing research mainly focuses on collaborative aspects of state nsa relations this book delves into instances where nsas challenge their states foreign and domestic policies directly impacting public diplomacy efforts from protests challenging the good image that the state governments try to project to activities of governments in exile and dissenting diaspora groups to cities taking actions that defy official state policies examples of non state actors engaging in political dissent and disrupting the public diplomacy efforts of their states can be found in virtually any region and political system yet the phenomenon of political dissent and its role in public diplomacy remains understudied by public diplomacy scholars this book seeks to fill this gap

from its origins in academic discourse in the 1970s to our collective imagination today the concept of rape culture has resonated in a variety of spheres including television gaming comic book culture and college campuses beyond blurred lines traces ways that sexual violence is collectively processed mediated negotiated and contested by exploring public reactions to high profile incidents and rape narratives in popular culture the concept of rape culture was initially embraced in popular media mass media social media and popular culture and contributed to a social understanding of sexual violence that mirrored feminist concerns about the persistence of rape myths and victim blaming however it was later challenged by skeptics who framed the concept as a moral panic nickie d phillips documents how the conversation shifted from substantiating claims of a rape culture toward growing scrutiny of the prevalence of sexual assault on college campuses this in turn renewed attention toward false allegations and away from how college enforcement policies fail victims to how they endanger accused young men ultimately she successfully lends insight into how the debates around rape culture including microaggressions gendered harassment and so called political correctness inform our collective imaginations and shape our attitudes toward criminal justice and policy responses to sexual violence

this book investigates whether a power shift has taken place in the asia pacific region since the end of the cold war by systematically examining the development of power dynamics in asia pacific it challenges the

notion that a wealthier and militarily more powerful china is automatically turning the regional tides in its favour with a special emphasis on sino us competition the book explores the alleged linkage between the regional distribution of relevant material and immaterial capabilities national power and the much cited regional power shift the book presents a novel concept for measuring power in international relations by outlining a composite index on aggregated power ciap that includes 55 variables for 44 regional countries and covers a period of twenty years moreover it develops a middle power theory that outlines the significance of middle powers in times of major power shifts by addressing political military and economic cooperation via a structured focused comparison and by applying a comparative historical analysis the book analyses in depth the bilateral relations of six regional middle powers to washington and beijing

after adolph ochs purchased the new york times in 1896 zionism and the eventual reality of the state of israel were framed within his guiding principle embraced by his sulzberger family successor that judaism is a religion and not a national identity apprehensive lest the loyalty of american jews to the united states be undermined by the existence of a jewish state they adopted an anti zionist critique that remained embedded in its editorials on the opinion page and in its news coverage through the examination of evidence drawn from its own pages this book analyzes how all the news fit to print became news that fit the times discomfort with the idea and since 1948 the reality of a thriving democratic jewish state in the historic homeland of the jewish people

1 new york times bestseller it was never supposed to be this close and of course she was supposed to win how hillary clinton lost the 2016 election to donald trump is the riveting story of a sure thing gone off the rails for every comey revelation or hindsight acknowledgment about the electorate no explanation of defeat can begin with anything other than the core problem of hillary's campaign the candidate herself through deep access to insiders from the top to the bottom of the campaign political writers jonathan allen and amie parnes have reconstructed the key decisions and unseized opportunities the well intentioned misfires and the hidden thorns that turned a winnable contest into a devastating loss drawing on the authors deep knowledge of hillary from their previous book the acclaimed biography *hrc shattered* offers an object lesson in how hillary herself made victory an uphill battle how her difficulty articulating a vision irreparably hobbled her impact with voters and how the campaign failed to internalize the lessons of populist fury from the hard fought primary against bernie sanders moving blow by blow from the campaign's difficult birth through the bewildering terror of election night *shattered* tells an unforgettable story with urgent lessons both political and personal filled with revelations that will change the way readers understand just what happened to america on november 8 2016

in just a few short years the khmer rouge presided over one of the twentieth century's cruelest reigns of terror since its 1979 overthrow there have been several attempts to hold the perpetrators accountable from a people's revolutionary tribunal shortly afterward through the early 2000s extraordinary chambers in the courts of cambodia also known as the khmer rouge tribunal extraordinary justice offers a definitive account of the quest for justice in cambodia that uses this history to develop a theoretical framework for understanding the interaction between law and politics in war crimes tribunals craig etcheson one of the world's foremost experts on the cambodian genocide and its aftermath draws on decades of experience to

trace the evolution of transitional justice in the country from the late 1970s to the present he considers how war crimes tribunals come into existence how they operate and unfold and what happens in their wake etcheson argues that the concepts of legality that hold sway in such tribunals should be understood in terms of their orientation toward politics both in the khmer rouge tribunal and generally a magisterial chronicle of the inner workings of postconflict justice extraordinary justice challenges understandings of the relationship between politics and the law with important implications for the future of attempts to seek accountability for crimes against humanity

vladimir putin has a master plan to destroy europe divide nato reclaim russian influence in the world and most of all to marginalize the united states and the west in order to achieve regional hegemony and global power putin s unified strategy and vision for europe has not been thoroughly discussed or articulated in any meaningful way until now putin s master plan is the first comprehensive attempt to systematically explain putin s global strategy which could inevitably and inexorably lead to the breakup of the nato alliance and potentially to war with the west currently the west has no strategy no plan and no tactics to confront putin s master plan other than imposing limited economic sanctions which have done little to deter putin s aggression and may well have encouraged and facilitated it the viewpoint taken here is not just alarmism but an accurate and for the first time clear and sober portrayal of a frightening situation that more and more serious observers of european and russian politics are openly recognizing and acknowledging putin s master plan makes the case that it is essential to wake up to putin s strategy to destroy europe divide nato and build a new empire in the former soviet union russia has demonstrated an extraordinary level of aggression most boldly in its outright invasions of georgia and ukraine american weakness and a divided europe have left russia s terrified neighbors without an alternative to russian domination and even once stalwart american allies such as the republic of georgia are on the brink of becoming part of putin s new empire in europe putin has made it clear that he sees nato expansion as a fundamental threat to russian nationhood and he is systematically challenging the nato alliance as well as the united states so far he is winning
