good police officers are often promoted into supervisory positions with little or no training for what makes a good manager effective police supervision is a core text used in college level classes on supervisory practices in criminal justice this popular book combines behavioral theory with case studies that allow the reader to identify and resolve personal and organizational problems it provides readers with an understanding of the group behaviors and organizational dynamics with a focus on effectiveness as well as proficiency and on how a supervisor can help to create an effective organization this book is also a vital tool in the preparation of police officers for promotional exams new this edition this revised and updated edition has a new chapter homeland security and terrorism a changing role new material has been added throughout the textbook on the following topics characteristics of an effective coach mentoring work values unions dealing with change supervisory styles empowerment sara identifying stakeholders dealing

with limited english proficient individuals intercultural communication and equity theory the case studies and references have been thoroughly updated and expanded each chapter opens with a case study to illustrate the concept and includes key terms contains a new chapter on homeland security and terrorism and how they are changing the role of the police supervisor used nationwide for police promotional exams

effective police supervision 9th ed is a time tested text providing complete coverage of the organizational dynamics surrounding leadership of teams in an effective police department this revised edition provides readers with the tools to excel and advance with up to date and timely scholarly research and legal case law on supervision special attention is given to recruitment selection and retention of police commonly believed to be the most challenging internal issue facing agencies today supervisory tactics are evaluated in terms of how they work not only in the united states but in the united kingdom and canada as well and chapters are enhanced with boxed features that help the reader connect ideas with realistic situations combining behavioral theory and updated case studies effective police supervision is the preferred textbook for college level classes on police supervision and is an essential resource for preparation for promotional exams and career development for law enforcement officers and supervisors information has been included to respond to current issues facing law enforcement with covid 19 and managing protests

this book provides a general orientation for survival using the author's everyone goes home approach as in previous editions to keep the police officer safe and secure it details the specifics the intelligent police professional must master in order to survive the many types of risky situations he will be exposed to over a career the book is painstakingly thorough in its approach to officer survival in an era where peacekeepers are required to be highly transparent and accountable in all their actions every use of force by a law enforcement officer will be closely scrutinized this is one reason why it is important that today's officer has access to every viable tactic and technique that may prevent the need for force in the first place the book details everything from searching an arrested individual to searching a building arresting a 300 pound outlaw biker to a surly teenager techniques and strategies discussed in the book include personal preparation for risk reduction vehicle stops and contacts defusing disturbances domestic violence burglaries and structure searching barricades and hostage takers vehicle pursuits ambush attacks emotionally disturbed and mentally ill persons prisoner control and transport terrorist threats off duty confrontations and reducing the emotional risks involved at the end of each vital chapter a quick and concise risk reduction checklist is presented these chapter summaries are excellent for review and merit rereading by the police professional intent on surviving to a healthy retirement an appendix has been included containing informative accounts of police deaths culled from the law enforcement officers killed and assaulted report put together by the federal bureau of investigation other accounts are also found at the end of each chapter each one makes a point by way of grim example yet every tragedy described can help save the life of an alert police officer who might otherwise become one more statistic this unique and comprehensive text will be invaluable to all law enforcement professionals investigators policymakers and

police academics

revised updated and expanded this practical hands on book is packed full of step by step guidelines and suggestions for carrying out a multitude of leadership tasks and responsibilities focused on a changing workforce that serves an equally changing and complex society while emphasizing the real value of common sense in good leadership practices the author furnishes the aspiring novice or veteran police supervisor with specific advice on how to train counsel inspect discipline and assess the performance of his or her subordinates he strives to help the supervisor with the vital obligations of being a planner a problem resolution officer and effective communicator within as well as outside the law enforcement organization major topics include 1 what supervision means and what you need to know 2 supervisory ethics professional responsibilities as a teacher inspector advocate and role model 3 the key qualities of true leadership 4 the vital job as an evaluator of employee performance discipline in the correction process oral and written communication skills 5 the skills needed when dealing with the news media 6 assistance in planning a career as a first line leader in supervision 7 the skills necessary for effective counseling 8 managing external and internal complaints 9 an effective role in community policing and customer service and 10 effective leadership of different generations each chapter concludes with a brief points to remember that provides a quickly read and easily remembered checklist of the chapter s salient points the seventh edition furnishes many more practical helpful and real life examples pertaining to leadership issues in addition a new chapter working for someone offers insight into this all important topic of what your supervisor expects some pitfalls to avoid addressing the boss s problems and learning the boss s job this new edition offers a realistic approach to the challenging task of providing strong effective leadership to front line employees in a dynamic demanding profession

supervision of police personnel promotional study guide has 861 questions and answers

law enforcement ethics classic and contemporary issues for the new millennium covers many of the important facets of law enforcement ethics including the selection training and supervision of officers editor brian d fitch brings together the works of a diverse task force with a vested interest in reducing officer misconduct including law enforcement scholars educators and practitioners from a variety of disciplines to present a comprehensive look at this critical subject that is gaining more attention in agencies and in the media today the text covers topics on the roles of culture environment social learning policy and reward systems as they pertain to law enforcement ethics as well as the ethics of force interrogations marginality and racial profiling this volume also covers several unique aspects of ethics such as the role of post traumatic stress disorder in misconduct ptsd cheating during law enforcement promotional practices off duty misconduct and best practices in developing countries

authors franklin and hein have witnessed firsthand difficulties experienced in some black communities they use their knowledge to analyze and discuss the interactions between american policing a subculture of the black community and the blm movement the authors wrote this book not because of attacks on police officers but because of overzealous actions by officers to shoot black men it describes how blue on black shootings along with police tactics sometimes cause intense citizen responses through public statements outbursts and demonstrations it begins with an examination of the differences between the black and white communities how the same incident can be viewed from two different perspectives and how a discussion can be perceived unbiased by one but biased and unjust by another because of civil rights efforts american policing is going through a transformation a change in policing tactics must be met with a re evaluation of some cultural norms by the black community they also discuss the lack of support by blacks shown to other blacks when there is an impression of being not black enough the authors believe in political correctness but also believe that political correctness is harming the black community because well recognized negative issues in some communities are not being addressed to avoid criticism of black culture in the final chapter the authors discuss the failure of black leadership to make any earnest effort to rescue a wanting black subculture from itself finally the authors believe that american policing understands its 21st century obligations and is taking steps to meet them

whether you are just pondering if you should go for the gold or are already radar locked on getting there this book making sergeant is for you written by a veteran police chief with over 50 years of law enforcement experience 15 of them spent as a sergeant it contains practical advice for 1 deciding on whether you are ready for the job and 2 getting it and succeeding at it if you are short on theory and long on pragmatic advice the text also will help the already promoted supervisor successfully meet the challenges of this complex but vital position as most law enforcement agency ceos will acknowledge first line supervisor or sergeant is often the single most important position in the police organization without the

best efforts of the highly competent man or woman wearing the stripes the organization is destined to flounder in relative ineffectiveness in the worst case scenario the agency may fail in other words the sergeant has got to get it right this book will help you decide if you want to be that sergeant if you do it will help you be him or her if at least at this stage of your career you decide that the answer is no that's fine too there is not a law enforcement agency anywhere that has enough talented first line officers your goals may change later but if you choose to go for it the tips contained in this book will help you get there if you are already a supervisor making sergeant will help you get better at what you are already doing

this new sixth edition brings together nuanced treatment of some of today's most pressing matters in the politics of race and ethnicity from immigration policy and the changing demographics of the U.S. electorate to promoting racial diversity in public schools and the impact of hate speech sure to spark lively classroom discussion issues in race and ethnicity allows students to see an issue from all sides and examine how policy is made and implemented each chapter examines the key players stakes and lessons for the future while covering the range of fact analysis and opinion surrounding each issue for current coverage your students will appreciate the balanced and unbiased reporting of CQ Researcher along with the following useful features a ProBox that examines two competing sides of a single question a detailed chronology an annotated bibliography and web resources and photos charts graphs and maps customize your own book choose from an extensive collection of CQ Researcher articles and create the issues in race and ethnicity that is perfect for your class find out more at custom.cqpress.com

first published in 1996 this work covers all the major sectors of policing in the United States political events such as the terrorist attacks of September 11 2001 have created new policing needs while affecting public opinion about law enforcement this third edition of the encyclopedia examines the theoretical and practical aspects of law enforcement discussing past and present practices

this new third edition provides an update on what is known about street gangs throughout the world and summarizes some of the major works on street gang phenomena it focuses on those countries that have a greater presence in the literature chapter 1 introduces the reader to the topic of street gangs throughout the world chapter 2 identifies some of the challenges faced by scholars when studying gangs in different countries chapter 3 reviews some of the basic research on street gangs in the United States and Canada chapter 4 covers what is known about street gangs in Europe and Russia chapter 5 reviews the literature on street gangs in one of the hottest areas of the world for gangs Central America in addition this chapter examines South American and Caribbean gangs street gangs in Brazil El Salvador Guatemala Jamaica Brazil Mexico Nicaragua Trinidad and other countries are covered the presence of street gangs and gang violence in these and other countries has been identified as a major factor in the mass migration of refugees to the United States chapter 6 reports on the street gangs of Africa research on gangs in South Africa goes back decades and the country has a unique history on how gangs evolved other countries such as Egypt Nigeria

and kenya are developing a body of literature that highlights the distinctive nature of gangs and gang members in these countries chapter 7 addresses street gangs in asia including china india hong kong post reunification japan and other countries this chapter provides rare glimpses of gangs in china a relatively secretive country although different in many ways from gangs in asia information is also included here about gangs in australia and new zealand practitioners in the criminal justice and juvenile justice fields will find this book to be a valuable resource

with renewed interest in both emergency management and homeland security disproportionate attention and resources have been focused on terrorist threats however natural hazards pose a far greater risk of death injury and property damage to the typical american jurisdiction hurricanes floods and tornadoes cause billions of dollars in damage and substantial numbers of deaths and injuries each year the aim of this book is to focus on these natural hazards and the linkage between law enforcement and emergency management it draws from criminal justice psychology public administration emergency management public health meteorology leadership and management in an effort to synthesize a wealth of knowledge to better prepare police officers to respond to the complete range of emergencies and disasters they encounter on the job emergency management for law enforcement strategies operations and tactics will help to better integrate law enforcement officers with other first responder agencies as they work together to resolve critical incidents it pulls together important information obtained from empirical research and disaster experience this knowledge is designed to help law enforcement officers deal with disasters and emergencies more effectively as important players in emergency management learning these evidence based practical applications will assist police officers in making better decisions in order to take more effective actions at critical incident scenes

the authors have more than 100 years of collective experience in assisting police unions it all seemed so simple and formulaic a social movement that had been lingering for decades reached a tipping point and unions now had their greatest challenge ever the last 5 years have seen what unions would describe as apocalyptic demands for reforms union leaders ranted about a war on the police the end of the profession and increasing hostility towards the police by the liberal media and politicians unions must change the way they do business if they want to survive this book identifies the who what and why of the reform movement how to mount an effective political campaign the complexities of an effective message and the reasons police union leaders succeed and fail this book is divided into five primary parts each of which explores a police profession under attack from reform activists left leaning media politically correct chiefs and weak mayors and councils afraid to push back against unrealistic and overreaching demands for reforms part i focuses on viewing reform as a social movement part ii examines the battle between unions and reform activists part iii unravels the mysterious world of police unions part iv predicts the future of the reform movement and police unions in light of the struggle taking place nationwide and finally part v are case studies perspectives and predictions from contributing authors who are on the front lines of the police

labor movement in the u s and australia by following the superb analysis and creative ideas in this book police union leaders police management law enforcement personnel criminal justice professors and policymakers will see a path to reaching an accord on reform and advancing the police profession

this book brings to the forefront the realization that a successful police career involves not only surviving the danger involved in policing but also psychological survival in this book a mixed approach is employed that includes research and some practical suggestions from practitioners on how best to deal with the police health crisis it is based on research associated with police mental health together with the subsequent effects on officers performance physical health and lifestyle it begins by outlining the current challenges faced by police including increased civil unrest negative public reactions and a biological siege brought about by the covid 19 pandemic posttraumatic stress disorder and depression are reviewed and how these two conditions have been shown to promote negative health issues such as cardiovascular disease and gastrointestinal disorders comorbid psychological conditions as well as suicide resilience is also discussed and its role in ameliorating stress an overview of factors related to resilience is provided and some of the mechanisms that underpin resilience in police work are examined additionally suggestions are made that may help police organizations foster resiliency in officers the final chapter asks the question where do we go from here the chapter discusses current legislation that will help police deal with the problem of psychological and physical health and suicide interventions discussed include the need for wellness programs reducing stress through the police organization peers support development the use of mindfulness as a stress reduction strategy ptsd mitigation and reducing the fatigue health effects of shift work

the abuse of women and children transcends geographical boundaries as well as economic cultural religious political and social divisions comprised of the work of more than 20 academics and practitioners from around the world criminal abuse of women and children documents the atrocities that have been committed against these victims from ancie

the success of any police organization stems from the strength of its management experts emphasize that true effectiveness begins with first line supervisors leading law enforcement agencies recognize these supervisors as a vital link in the overall management process
