how rumors, lies and misrepresentations shaped American history after the election of Donald Trump as president. People in the United States and across large swaths of Europe, Latin America and Asia engaged in the most intensive discussion in modern times about falsehoods pronounced by public officials. Fake facts in their various forms have long been present in American life, particularly in its politics, public discourse and business activities, going back to the time when the country was formed. This book explores the long tradition of fake facts in their various guises in American history. It is one of the first historical studies to place the long history of lies and misrepresentation squarely in the middle of American political, business and science policy rhetoric. In *Fake News Nation*, James Cortada and William Aspray present a series of case studies that describe how lies and fake facts were used over the past two centuries in important instances in American history. Cortada and Aspray give readers a perspective on fake facts as they appear today and as they are likely to appear in the future.

enjoy this scorching billionaire romance starter by contemporary romance author Jessica I. Fox. I married my billionaire boss to avoid deportation and now I'm pregnant with his secret baby. My boss barely looks at me during breakfast, but with his six-year-old daughter, he's completely different. I'm just the nanny who's about to be deported in seven days. Then Luke finds the letter and proposes something insane: a Vegas wedding at 3 AM in a chapel with Elvis playing in the background. Just business, he promises, kissing me for the cameras while his hand burns against my waist. Except nothing about Luke Holloway is simple. He defends me against snobs who call me the help, he watches me decorate Christmas trees with his daughter like we're something precious. Then one night he carries me upstairs and makes me forget this is all pretend. By morning he's calling it a mistake and handing me a bonus check like I'm just another employee. The federal agents don't believe our marriage either. They show up at dawn dragging me away while his daughter screams and Luke stands there powerless. Three months later I'm serving coffee in Vancouver, hiding a baby bump under my uniform. I mail him divorce papers thinking it's over. He shows up at midnight after waiting fifteen hours in the

parking lot now i have to tell him about the baby i ve been carrying alone

in the years leading up to and directly following rapprochement with china in 1992 the south korean government looked to ethnic korean chos njok brides and laborers from northeastern china to restore productivity to its industries and countryside south korean officials and the media celebrated these overtures not only as a pragmatic solution to population problems but also as a patriotic project of reuniting ethnic koreans after nearly fifty years of cold war separation as caren freeman s fieldwork in china and south korea shows the attempt to bridge the geopolitical divide in the name of korean kinship proved more difficult than any of the parties involved could have imagined discriminatory treatment artificially suppressed wages clashing gender logics and the criminalization of so called runaway brides and undocumented workers tarnished the myth of ethnic homogeneity and exposed the contradictions at the heart of south korea s transnational kin making project unlike migrant brides who could acquire citizenship migrant workers were denied the rights of long term settlement and stringent quotas restricted their entry as a result many chos njok migrants arranged paper marriages and fabricated familial ties to south korean citizens to bypass the state apparatus of border control making and faking kinship depicts acts of counterfeit kinship false documents and the leaving behind of spouses and children as strategies implemented by disenfranchised people to gain mobility within the region s changing political economy
