string letter publishing acoustic guitarists can now better understand their instruments

preserve and protect their value and get the sounds they really want thanks to this new book from the experts at acoustic guitar magazine this indispensable guide begins by acquainting players with their instruments and laying to rest some pervasive guitar myths then proceeds through various aspects of basic care setup common repairs and pickup installation whether it s cleaning and polishing a beloved guitar protecting it from theft or changes in humidity selecting a case or performing diagnostics readers will become more savvy acoustic guitar owners and repair shop customers and can forego dubious advice from well meaning friends and anonymous experts on the includes a primer and glossary of terms

a stunning visual guide to the history and development of all types of guitars packed with detailed information and profiling everything from the legendary martin flat tops to gibson s arch tops guitars and fender s twelve string electrics the ultimate guitar sourcebook is divided by type into nine chapters each telling the full story of a major type of guitar it is sub divided geographically so the reader gets a global picture of guitar making from the united states to the far east and from europe to australia the introduction examines the development of the world s most popular instrument over the years

with generations of talented and intense guitarists honored for their talents it s no wonder the same models of guitars they use are hot tickets in today s collectibles market warman s vintage guitars field guide pulls together history tips for collectors lessons in guitar lingo contact information and 350 photos of the leading guitars of the last 100 years in this unique and enjoyable guide collectors will gain greater appreciation of the craftsmanship and style that is synonymous with guitars in this full color book that includes some of eric clapton s personal collection that fetched top dollar at auction particulars and current prices for guitars including gibson fender stratocaster martin silverstone and epiphone are covered in this unique resource

this book identifies the ongoing management issues and compatible management systems for sustainable and inclusive development in a transforming asia in the dynamic process of economic development in asia many positive and also negative issues have arisen since the latter half of the 1990s the network economy based on digital technologies began to be established and technological and cross border transfer of managerial

knowledge became easier this change in technological and market structure now requires companies to meet another dimension of competition in this new paradigm many asian companies are struggling with turbulent new managerial and organizational issues together with economic and social problems that concentrate at the bottom of the pyramid this book elucidates these issues keeping sustainability and inclusiveness in mind the book is highly recommended not only for academicians but also business people who seek an in depth and up to date overview of dynamically changing business and industrial structures in asia focusing on sustainability and inclusion issues

to many vintage guitar fans it seems inconceivable that gibson dumped the sunburst les paul in 1960 and during the following year introduced a completely new design the one that we know now as the sg solid guitar at the time however it made good business sense sales of the les paul were faltering and gibson decided to blow a breath of fresh air through its solidbody electric guitar line the company described the result as an ultra thin hand contoured double cutaway body the modernistic amalgam of bevels and points and angles was a radical departure and this new book tells the story of all the sg models that followed the junior special standard custom and more there are interviews with and stories about gibson personnel through the years and all the major sg players including pete townshend frank zappa eric clapton angus young george harrison gary rossington tony iommi and derek trucks in the tradition of tony bacon s bestselling series of guitar books the sg guitar book is three great volumes in one package a collection of drool worthy pictures of the coolest guitars a gripping story from the earliest prototypes to the latest exploits and a detailed collector s database of every production sg model ever made

the guitar is the most played instrument in the west this is the first account of its rise in stuart england

in this update of the acoustic guitar answer book sharon isbin the classical guitar virtuoso who heads the juilliard school guitar department answers 50 essential questions about performing practicing and choosing and caring for your guitar the questions were asked by acoustic guitar magazine readers and answered by isbin in four years of master class columns in the magazine this book collects all this vital information together in an easy

reference format an absolute must for every classical guitar player includes new appendices of resources for classical guitarists and students 88 pages 9 inch x 12 inch

this new version of tony bacon s six decades of the fender telecaster shows how the world s first commercially successful solidbody electric guitar still attracts musicians more than 60 years since its birth in california today it is more popular than ever and for many guitarists has overtaken the stratocaster as the fender to own and play the tele is the longest lived solidbody electric played by everyone from muddy waters to keith richards from radiohead to snow patrol its sheer simplicity and versatility are vividly illustrated here through interviews with jeff beck james burton bill kirchen john 5 and more the book is three great volumes in one a compendium of luscious pictures of the most desirable teles a gripping story from the earliest days to the latest exploits and a detailed collector s guide to every tele ever made packed with pictures of great players collectable catalogs period press ads and cool memorabilia the telecaster guitar book is the one tele book that all guitar fans will want to add to their collection
