this book provides a new literary interpretation of noah s curse as unjust most interpreters acknowledge that in the context of genesis 9 18 29 noah s curse of canaan seems to be an overreaction and off target but almost all readers including ideologically motivated interpreters and modern biblical scholars with no desire to weaponize the curse presume that a good interpretation should overcome the initial reaction that noah s curse seems unjust this book argues the opposite reading through the lens of interest convergence from critical race theory and performative utterances from speech act theory this book proposes that intertextual connections between genesis 9 18 29 and the stories in genesis 2 3 show noah and his actions as an ironic recurrence of the adam and eve narrative and the injustice of noah s curse serves as a crucial element in this ironic depiction and the primeval history as a whole provided by publisher
