chinese dual language immersion dli education experienced unprecedented growth in recent years hence it has become critical that chinese dli research catches up to inform chinese dli teachers and administrators of the most effective ways to teach and run their programs the purpose of chinese english dual language immersion programs content area instruction learners and evaluations is to explore three dli themes that are under researched content area instruction learners and evaluations the first section of this edited volume is dedicated to exploring current teaching designs and practices in different content subjects in chinese dli programs in order to make useful teaching suggestions to the programs the second section includes studies which look into k 12 chinese dli learners learning variables such as motivations learning strategies learner perception and engagement and learner background differences the last section of this edited volume intends to fill the research gap by including studies which adopt various methods to evaluate chinese dli students target language level to better illustrate their learning progress in different language skills

the mission of the international journal of educational reform ijer is to keep readers up to date with worldwide developments in education reform by providing scholarly information and practical analysis from recognized international authorities as the only peer reviewed scholarly publication that combines authors voices without regard for the political affiliations perspectives or research methodologies ijer provides readers with a balanced view of all sides of the political and educational mainstream to this end ijer includes but is not limited to inquiry based and opinion pieces on developments in such areas as policy administration curriculum instruction law and research ijer should thus be of interest to professional educators with decision making roles and policymakers at all levels turn since it provides a broad based conversation between and among policymakers practitioners and academicians about reform goals objectives and methods for success throughout the world readers can call on ijer to learn from an international group of reform implementers by discovering what they can do that has actually worked ijer can also help readers to understand the pitfalls of current reforms in order to avoid making similar mistakes finally it is the mission of ijer to help readers to learn about key issues in school reform from movers and shakers who help to study and shape the power base directing educational reform in the u s and the world

standards based learning just got a lot easier this new version of the common core companion provides a smart chart index for all states implementing state specific ela standards this index allows you to see in an instant which of your standards are the same as ccss which differ and how and which page number to turn to for standards based teaching ideas beyond that it s the same great go to guide for implementing the standards translating each and every standard for reading writing speaking and listening language and foundational skills into the day to day what you do

the thomas ward is like a small stream in the mountains that emerges from a tiny spring and trickles on down the hillside to join the creek on its way to the river no attempt has been made to get all the information about all the people who live or have lived

within its boundaries neither is the material collected considered to be the most important or free from errors this book is just a cup of water dipped from the little stream as it journeys on its way no attempt is made to dip up all the water or stop its flow it is hoped that like the cup of cool water from the tiny stream this book will refresh the reader and the stream of time flows on to those pioneers both young and old who had the courage to combine all the natural resources which the creator so wisely stored in these mountains rivers and valleys along with the brawn and brain that he gave man the miracle of the desert came to be

this book discusses multiple aspects of chinese dual language immersion dli programs with a focus on the controversial utah model the first part of the book focuses on the parents teachers and school administrators it looks at the perceptions of the three groups toward the utah model how they build a supportive dli classroom with an emphasis on teacher teacher and teacher parent communication and how the teachers position themselves in teaching through their teacher identities the second part of the book emphasizes classroom research and explores teaching and learning strategies corrective feedback and learner uptake and repair translanguaging in authentic teacher student interaction and chinese character teaching as the first dli book to include a non alphabetical language chinese it addresses the need for more research on dli programs of languages other than spanish the book will benefit not only chinese dli educators and administrators in the us but will also offer some useful suggestions and thoughts to educators and administrators of similar programs worldwide

this remarkable hard to find resource is an exhaustive compilation of state laws and local ordinances in effect in 1950 that mandated racial segregation and of pre brown era civil rights legislation the volume cites legislation from forty eight states and the district of columbia and ordinances of twenty four major cities across the country the complete text of each law or ordinance is included along with occasional notes about its history and the extent to which it was enforced other relevant information found in the volume ranges widely the texts of various supreme court rulings international documents federal

government executive orders departmental rules regulations and directives legislation related to aliens and native americans and more in his introduction davison m douglas comments on the legislation compiled in the book and its relevance to scholars today and also provides biographical background on pauli murray the attorney who was the volume s original editor
