i started this book prior to the election of 2016 and wrote most of it with a nervous feeling in the pit of my stomach at the real possibility of hillary clinton becoming the president of the united states i finished this book with the knowledge that the fight is far from over and the election of president donald trump has afforded all god loving conservatives more time to save our country and culture and it is time we must not waste the election of president donald trump is not going to stop the left the election of president donald trump is not going to stop the establishment and neither one is going to stop using the current liberal mainstream media and entertainment industry to mobilize the misinformed masses to undermine us therefore we on the right must use this time we have been given to fill in the missing links in our arsenal that are preventing us from reaching the misguided masses and making conservatism and judeo christian values the mainstream of america this book tells what needs to be done and what each one of us can do to help this is no time to rest on our laurels and hope everything works out okay we must not forget that eight years after the election of ronald reagan the political establishment retook power and things went from bad to worse so all you conservatives that want to do more than just call your government representative in washington in an attempt to get your voice heard read this book and get busy because we need you to help make the light of conservatism and judeo christain values so bright the masses cant miss what we stand for even if they tried it is time for us to shine in the mainstream of america and never again allow anyone to dim our light in the spirit of compromise and bipartisanship in order to be more in line with the popular thinking of the day
