this text is designed for students preparing for o level history offering an examination of some of the major trends and events in west african history from ad 1000 1800

this volume is intended for students preparing for the west african school certificate and the general certificate of education o level preface

first published in 1968 routledge is an imprint of taylor francis an informa company

between 1960 and 2020 the population of west africa will have increased fivefold even with the most optimistic assumptions of increased contraceptive use this unprecedented demographic explosion is accompanied by another major change

this is the standard account of the economic history of the vast area conventionally known as west africa ranging from prehistoric time to independence it covers the former french as well as british colonies

from the coastal cities of dakar and lagos to the grassy savannas and lush steamy rain forests of the countryside west africa cultivates flavors that will delight your taste buds

nowhere else in the world did industrialized countries leave such early marks in the rainforest as in west africa past and present developments here are in one way or the other significant for rainforests on other continents as well west africa is a pioneer in both a good and a bad sense this is reason enough to take a closer look at the history of moist tropical west africa until recently no one really seemed to be interested in the rainforests except for a few specialists the world's scientific community neglected to study the incalculable riches of tropical forests to make the public aware of them and their due importance although interdisciplinary research has been a popular topic for some decades now it was not applied to just the most complex habitat on earth scientists from all fields studied only that which was easiest to record seemingly blind to a myriad of details awaiting closer examination botanists went about establishing their herbariums and paid much too little attention to the vegetation as a whole or to the significance of useful plants for local populations zoologists too busied themselves with collecting and describing species anthropologists on the other hand tended to overlook faunal details in their ignorance of the animal world they wrote of tigers and deer in africa and finally foresters saw neither the forest nor the trees for the timber and even confused rainforests with monocultures of fir trees

between 1960 and 2020 the population of west africa will have increased fivefold even with the most optimistic assumptions of increased contraceptive use this unprecedented demographic explosion is accompanied by another major change exposure to

provides a context for understanding west africa's security dilemmas highlighting the link between failures of economic development governance and democratization on the one hand and military insecurity and violent conflicts on the other

originally published in 1935 the aim of this book was to introduce the european to the art of west africa many of the examples extensively illustrated with black and white photos are from the regions between senegal and angola primarily from gambia sierra leone the gold coast nigeria and the cameroons although the art and sculpture of west africa is coherent there are tribal and territorial characteristics which are discussed as is the significance of masks in ritual ceremony

recommendations to the governments of liberia sierra leone guinea burkina faso and cote d ivoire to all governments donating funds to liberia to the economic community of west africa ecowas and the african union to the united nations security council to the united nations mission in liberia unmil united nations mission in sierra leone unamsil and united nations operation in cote d ivoire onuci to the united nations children s fund unicef to the united nations high commission for refugees unhcr to the department of peacekeeping operations dpko united nations development programme undp world bank and others involved in the design management and evaluation of disarmament exercises to the government of nigeria to the international committee of the red cross context the regional warrior the sub regional dynamic of west african conflicts economic and social factors the recruiters their promises the lure promises of payment and the opportunity to loot recruitment in refugee camps regional warriors and human rights abuses high level orders to commit atrocities the liberian security forces and ruf in guinea efforts to respect the laws of war met with limited success the lurd in liberia looting on massive scale not ordered but sanctioned at the highest level current theaters guinea and cote d ivoire guinea cote d ivoire problems in the disarmament programs in sierra leone and liberia 1998 2005 sierra leonean disarmament demobilization and reintegration program 1998 2003 liberian disarmament demobilization rehabilitation and reintegration 2002 present payment to demobilized children in liberia and increased risk of re recruitment risks of failure in the disarmament program in liberia corruption by commanders and ddr ddr program employees lack of grievance procedure inadequate job training options conclusion acknowledgements annex
