following the arab spring the use of social media has become instrumental in organising activist movements and spreading political dissent in the middle east new online behaviours have transformed traditional communication channels enabling young people of all backgrounds to feel politically empowered but now that spring has turned to winter what are the long term implications of internet activism in the region social media in the arab world provides a unique insight into the role of online communications as a force for change in the gulf states featuring examples as diverse as neo patrimonial politics in saudi arabia and the ways an online presence affects the status of women in kuwait the chapters examine shifts in the political social and religious identities of citizens as a result of increased digital activism with contributions from a variety of inter disciplinary experts this wide ranging study examines the consequences of changing power

dynamics brought about by popular social media in doing so this book offers an original perspective on the long term implications of internet usage in the arab world and is essential reading for students and researchers working across the region

economic crime is a significant feature of the uk s economic landscape and yet despite the government s bold mission statements to hold those suspected of financial wrongdoing to account as part of their day of reckoning and serious about white collar crime agenda there is a sense that this is still not being done effectively this book examines the history of the creation of the uk s anti economic crime institutions and accompanying legislation providing a critique of their effectiveness the book analyses whether the recent regulatory regime is fit for purpose as well as being appropriate for the future in order to explore how the uk s economic crime strategies could be improved the book takes a comparative approach analysing policy and legislative responses to economic crime in the united states and australia in order to determine whether the uk could or should import similar structures or laws to improve the enforcement of uk economic crime

waste management is one of the key problems of modern society due to the ever expanding volume and complexity of discarded domestic and industrial waste society is increasingly aware of the need to establish better practices and safer solutions for waste disposal this requires further investigation into disposal methods and recycling as well as new technologies to monitor landfills industrial mining wastes and chemical and nuclear repositories this creates a need for more research on current disposal methods such as landfills incineration chemical and effluent treatment as well as recycling clean technologies waste monitoring public and corporate awareness and general education unfortunately many of the policies adopted in the past were aimed at short term solutions without due regard to the long term implications on health and the environment leading in many cases to the need to take difficult and expensive remedial action the desired direction of waste management is towards sustainable strategies the approach which has emerged as the most promising has been called 4rs where reduction reuse recycling and recovery are seen as the best actions this largely decreases the volume of waste that needs final disposal recovery refers to the establishment of two new classifications those of secondary raw materials srm and of refuse derived fuel rdf they both relate to useful products obtained from waste and make a shift from the mere recycle or reuse mostly seen as a way to reduce dumping to the valuable employment of such matter within the production cycle another aspect of this revolution is happening subtly and gradually by people buying waste particularly ewaste and some types of plastic the so called technical waste this is happening due to the strong demand and high price of certain new materials and the possibility of sorting out waste in

developing regions of the world as a result a market in secondary raw materials srm has developed covering various areas under the topic of waste management this volume contains a selection of papers presented at the 10th international conference on waste management and the environment

traditionally the study of financial decision making in law enforcement and criminal justice entities has been approached from the perspective of tax revenues and budgeting that focus only on the past and present capital investments of cash flow provide future benefits to all organizations and among courses in business administration these noti

in 1989 the little rascals day care in edenton north carolina was suddenly thrust into the national spotlight one day the owner s husband disciplined a boy at naptime and soon an angry mother suggested that it was more than just a slap rumors quickly morphed into charges of unimaginable crimes against dozens of little children panic consumed the town as the police therapists and parents relentlessly pressured the children who attended the day care to name their teachers responsible for multiple allegations of abuse the edenton seven were caught up in the accusations including nineteen year old teacher robin boles byrum she spent nearly a year in jail under an enormous bond meant to pressure her to tell the truth while she had a new baby at home eerily reminiscent of the hysteria that gripped salem massachusetts during the witch trials of the seventeenth century the little rascals case ultimately became the longest and most expensive criminal trial in north carolina history three decades later betsy hester met robin byrum couto and together they joined forces to tell the truth in this book betsy shares insights from legal and medical experts and reveals the facts from twenty one boxes and bound testimonies from the courtroom long since buried away intertwined with the case history is robin s never before told story of her harrowing journey through the court system finally this book serves as a modern day warning about the danger of mass hysteria and the consequences of a judicial system that blindly refused to hear and seek the truth

this edited volume is the first volume that researches female criminality in the balkan region and provides insights about patriarchal relations gender roles and female criminal behavior the chapters provide research and data about crimes committed by females in serbia north macedonia montenegro bosnia and hercegovina croatia and slovenia the chapters investigate topics such as long violence social abuse and discrimination life trajectories towards criminal behavior women facing financial stress and dependence and how it relates to crime women in the criminal justice system examining the relationship between crime gender and the modernization of balkan ex yugoslavian social structure this volume is ideal for interdisciplinary criminology scholars specializing in the balkans chapter 3 is available open access under a creative
