carol thomas seminal work on the contested relations of and between the sociologies of health illness and disability has resulted in a plethora of critical insights into disabled people s sense of socio political identity this includes a growing body of critically engaged scholarship that has demonstrated the significance of working across interdisciplinary frames and transnational geographies in addition to crippling research practices in studies of the everyday experiences of disabled people and community members who live with longstanding chronic illnesses and un diagnosed health conditions this research has to date enriched the disability sociological imagination generating new insights and potential alliances that are necessary to build mobilize and sustain crosscutting communities of wellbeing this research topic aims to explore innovative methods in sociological research that distill shared and mutually constitutive practices of wellbeing for disabled people and community members that live across the continuum of disability health identities research that seeks to connect the lived experiences of uniquely marginalized people with wider patterns of local and global inequity and relations of exclusion offers opportunities to advance goals of disability justice and improve accessibility in research work healthcare delivery advocacy and beyond centering disability in sociological methods has the potential to expose inequities and disrupt normative standards systems and practices by exploring the intersection of sociology disability studies and other schools of thought and activism this research topic will provide new empirical and methodological insight into interdisciplinary scholarship and collaborative action the research topic aims to contribute to decentering the global north in health and disability research and advocacy by incorporating insight from the global south scholars from the global south and research focused on transnational connections are encouraged we invite empirical analytic or theoretical papers exploring emerging sociological methods and practices of engagement across diverse disability communities noting how communities of care are often transnational we encourage generous and generative understandings of disability and seek contributions from scholars and community based researchers in sociology disability studies political science science and technology studies anthropology mad studies deaf studies and other disciplines that are considering these connections this research topic welcomes critical and situated contributions from all geographies especially including disabled scholars scholars in the global south and transnational collaborations towards more equitable global knowledge production submissions on various themes are encouraged including

interdisciplinary ruptures or points of convergence in methodologies related to disability health and illness crippling research methods and modes of analysis innovations in research accessibility reflections on a disability lens for sociological methods diverse disability identities and practices of community engagement technological advancements in research engagement and dissemination karen soldatic danielle landry and temba middelman are funded and supported by the canada excellence research chair in health equity and community wellbeing at toronto metropolitan university

solitude is the state of being alone or isolated from others it is often a voluntary choice for meditation introspection reflection or simply enjoying one's own company solitude can be peaceful and conducive to deep thinking or creativity contrasting with loneliness which implies a negative feeling of being alone and disconnected this book investigates the types of solitude in twelve modern short stories written by authors of different nationalities races and genders it also explores how the setting boosts the state of solitude of each character there are different manifestations of solitude and the solitary character a person living among other people refusing to be part of them unwilling to be part of them or being refused and rejected to be part of them this character is a child a teenager a man or an abnormal freakish man or a woman of sorrow a recipient of much unbearable pain

in 1964 sociologist william mccord long interested in movements for social change in the united states began a study of mississippi's freedom summer stanford university where mccord taught had been the site of recruiting efforts for student volunteers for the freedom summer project by such activists as robert moses and allard lowenstein described by his wife as an old fashioned liberal mccord believed that he should both examine and participate in events in mississippi he accompanied student workers and black mississippians to courthouses and freedom houses and he attracted police attention as he studied the mechanisms of white supremacy and the black nonviolent campaign against racial segregation published in 1965 by w w norton his book mississippi the long hot summer is one of the first examinations of the events of 1964 by a scholar it provides a compelling detailed account of mississippi people and places including the thousands of student workers who found in the state both opportunities and severe challenges mccord's work sought to communicate to a broad audience the depth of repression in mississippi here was evidence of the need for

federal action to address what he recognized as both national and southern failures to secure civil rights for black americans his field work and activism in mississippi offered a perspective that few other academics or other white americans had shared historian françoise n hamlin provides a substantial introduction that sets mccord s work within the context of other narratives of freedom summer and explores mccord s broader career that combined distinguished scholarship with social activism

this book will be of value to everyone interested in the prevention of addiction and the detection treatment and rehabilitation of drug addicts it interprets and applies research findings about the causation and cure of drug addiction using the author s personality theory which is extensively compared with that of other personologists the book includes the qualitative analysis of 12 addict case studies it is especially timely in view of the need for effective legislation judicial procedures and treatment programs to deal with the opioid crisis in the united states and canada

diverse sex gender and sexual identities historically have been pushed to the margins in sport while there is more visibility and inclusion for lgbtqi lesbian gay bisexual transgender intersex queer people in sport today than in the past there still exists bigotry and marginalization in this book vikki krane and a team of leading sport scholars critically assess what we know about sex gender and sexuality in sport expose areas in need of further inquiry and offer new avenues for theory research and practice drawing on cultural studies perspectives and with social justice at the heart of every chapter the book discusses theory policy practice and the experiences of lgbtqi people in sport sex gender and sexuality in sport is an important read for undergraduate and postgraduate students in any class with content on lgbtqi people in sport but particularly for those studying sport and gender sexuality and sport lgbt studies psychology of gender contemporary issues in sport sociology of gender and sport and higher education it is also a vital resource for scholars who conduct research in the area of lgbtqi people in sport

das vorliegende handbuch bietet eine umfassende darstellung der vielfalt der in der schweiz bis in jüngste zeit mündlich und schriftlich verwendeten sprachen und dialekte und der räumlichen und sozialen bedingtheit ihres auftretens es bezieht sich nicht ausschliesslich auf die schweiz als viersprachiges land sondern geht neue

wege indem es darüber hinaus das englische sowie sprachen berücksichtigt deren heutige präsenz in der schweiz auf migration beruht auch historische sprachen und dialekte die in der schweiz und im liechtensteinischen sprachraum gesprochen werden sowie die drei schweizer gebärdensprachen werden behandelt mit ausblicken über die schweiz hinaus bietet das handbuch eine erweiterte perspektive auf die räume die die sprachen der schweiz einnehmen so wird das traditionelle verständnis von vielsprachigkeit um neue aspekten und aktuelle entwicklungern ergänzt
