bachata a guitar based romantic music that debuted in santo domingo s urban shantytowns in the 1960s is today one of the hottest latin genres still fans and musicians have not forgotten the social stigma the genre carried for decades this book interweaves bachata s history and development with the socio political context of dominican identity the author argues that its early disfavor

resulted from the political climate of its origins and ties between class and race and proposes that its ultimate acceptance as a symbol of dominican identity arose from its innovations the growth of the lower class and a devoted following among dominican migrants la bachata una musica de guitarra que se estreno en los barrios populares de santo domingo en los años 60 hoy es uno de los generos latinos mas populares no obstante sus aficionados y sus exponentes recuerdan el estigma social asociado que conllevo por decadas este libro entreteje la historia y el desarrollo de la bachata con el contexto socio politico de la identidad dominicana la autora plantea que su desaprobacion temprana resulto del clima politico en que nacio y los vinculos entre raza y clase social propone que su aceptacion final como simbolo de identidad dominicana surge de sus innovaciones el crecimiento de la clase baja y sus seguidores leales entre los migrantes dominicanos

tres momentos marcan la biografía de este vertiginoso ensamblaje el primero es el despojo llevado a cabo durante la trata atlántico entre los siglos xv y xix cuando hombres y mujeres originarios de África son transformados en hombres objetos hombres mercancías y hombres monedas de cambio prisioneros en el calabozo de las apariencias a partir de ese instante pasan a pertenecer a otros víctimas de un trato hostil pierden su nombre y su lengua continúan siendo sujetos activos pese a que su vida y su trabajo pertenecen a aquellos con quienes están condenados a vivir sin poder entablar relaciones humanas el segundo momento corresponde al nacimiento de la escritura y comienza hacia finales del siglo xviii cuando a través de sus propias huellas los negros estos seres cooptados por otros comienzan a articular un lenguaje propio y son capaces de reivindicarse como sujetos plenos en el mundo viviente marcado por innumerables revueltas de esclavos y la independencia de haití en 1804 los combates por la abolición de la trata las descolonizaciones africanas y las luchas por los derechos civiles en los estados unidos este período se completa con el desmantelamiento del apartheid durante los años finales del siglo xx el tercer momento a comienzos del siglo xxi es el de la expansión planetaria de los mercados la privatización del mundo bajo la égida del neoliberalismo y la imbricación creciente entre la economía financiera el complejo post imperial y las tecnologías electrónicas y digitales por primera vez en la historia de la humanidad la palabra negro no remite solamente a la condición que se les impuso a las personas de origen africano durante el primer capitalismo depredaciones de distinta índole desposesión de todo poder de autodeterminación y sobre todo del futuro y del tiempo esas dos matrices de lo posible es esta nueva característica fungible esta solubilidad su institucionalización en tanto que nueva norma de existencia y su propagación al resto del planeta lo que llamamos el devenir negro del mundo

one of the most salient issues in caribbean studies is the region's linguistic and cultural fragmentation as a result of european colonization more than five centuries later the islands and american countries whose shores touch the caribbean sea still echo such maladies the title of this book is a call towards unity a unity that in the words of barbadian poet historian and critic kamau brathwaite is submarine in the past nations borders were established based on the distance a cannon ball was able to cover when fired from land out to sea it is time to go beyond the cannon ball distances out into uncharted territories beyond the canon and thus beyond the cannon's range this book features a selection of essays presented at the fifth annual caribbean without borders conference at the university of puerto rico río piedras it critically delves into the fields of linguistics history literature philosophy politics feminism cultural studies music film and art among many others as a means to re visit re view re envision re read re interpret

and thus re create a caribbean aesthetics that looks to submarine unity a unity that defies spatial temporal and social borders the book conveys the limitless nature of the caribbean and its rich culture making it an appealing transdisciplinary source for a multidisciplinary academic audience

looking to the way that race has been conceived through the tradition of latin american political thought the color of citizenship examines the centrality of race in the making of modern citizenship it posits race as synthetic dynamic and fluid a concept that will have methodological historical and normative value for understanding race in other diverse societies
