la commission du droit international après avoir longuement hésité a inscrit l'état de nécessité dans sa codification de la responsabilité des États en tant que circonstance excluant l'illicéité l'objet de cette étude est de démontrer qu'il s'agit d'un mécanisme beaucoup plus diffus et fondamental du droit international intimement lié à ses caractéristiques

propres il a comme fonction la limitation des obligations substantielles des États lors de la survenance d'un fait condition la situation de nécessité afin d'éviter que l'application du droit ne génère un coût social excessif sa réalisation requiert toujours une pondération des intérêts en conflit seulement lorsqu'un coût social excessif ne peut être évité l'état de nécessité intervient dans le cadre des obligations secondaires de la responsabilité internationale en tant que circonstance atténuante after much hesitation the international law commission codified the state of necessity as a circumstance precluding wrongfulness in the field of state responsibility this study aims to demonstrate that it is a much wider mechanism essential to international law and strictly connected to its own characteristics it performs the function of limiting the substantial obligations of states in case of the realization of a fact condition a situation of necessity in order to avert an excessive social cost born out of law implementation it always works through a balance of conflicting interests only when a social cost cannot be avoided the state of necessity under the features of a mitigating circumstance enters the field of secondary obligations relating to international responsibility

le droit de la famille dans sa dimension civiliste fortement ancré dans les cultures nationales des États membres est une matière qui ne relève pas en principe du droit de l'union européenne pourtant il n'est plus possible d'affirmer que la matière échappe dans son entier au droit de l'union de nombreux aspects de la famille sont sous influence européenne au point que l'on voit se dessiner les contours d'une famille européenne l'ouvrage propose de mettre en lumière l'acquis européen en matière de droit de la famille au prisme du droit matériel citoyenneté européenne politique sociale de l'union fonction publique européenne comme du droit international privé le droit de la famille de l'union s'identifie alors comme un droit spécial complétant la diversité des droits nationaux de la famille sa signification théorique et politique dans l'union est débattue par les auteurs autant que son devenir loin de demeurer fragmentaire à côté des droits nationaux des États membres il a probablement vocation à se densifier pour offrir aux citoyens et résidents européens un droit commun de la famille au sein de l'union family law with its civil law tradition and strong roots in the national cultures of the member states does not normally fall within the scope of european law however it is no longer

possible to argue that family law is outside european law entirely there are many aspects of the family which are subject to european influence to the point that the outlines of a european family are starting to emerge this book is intended to highlight the european experience of family law and its substantive i e european citizenship eu social policy eu civil service and private international law aspects union law therefore contains a form of special family law which is shared between the member states and supplements their national family laws its theoretical and political importance in the union as well as its future are discussed by the authors far from remaining fragmented alongside the national laws of member states it will likely develop to offer european citizens and residents a common family law within the eu
