the standard resource for statisticians and applied researchers accessible to the wide range of researchers who use statistical modelling techniques

this ambitious work chronicles 250 years of the cromartie family genealogical history included in the index of nearly fifty thousand names are the current generations and all of those preceding which trace ancestry to our family patriarch william cromartie who was born in 1731 in orkney scotland and his second wife ruhamah doane who was born in 1745 arriving in america in 1758 william cromartie settled and developed a plantation on south river a tributary of the cape fear near wilmington north carolina on april 2 1766 william married ruhamah doane a fifth generation descendant of a mayflower passenger to plymouth stephen hopkins if cromartie is your last name or that of one of your blood relatives it is almost certain that you can trace your ancestry to one of the thirteen children of william cromartie his first wife and ruhamah doane who became the founding ancestors of our cromartie family in america william jr james thankful elizabeth hannah ruhamah alexander john margaret nancy mary catherine jean peter patrick and ann e cromartie these four volumes hold an account of the descent of each of these first generation cromarties in america including personal anecdotes photographs copies of family bibles wills and other historical documents their pages hold a personal record of our ancestors and where you belong in the cromartie family tree

the thompson family the thompson family originally hails from scotland the earliest known ancestor is thomas thompson who was born in 1545 in glasgow matthew thompson 1692 1753 emigrated from county donegal ireland to philadelphia in 1732 he then moved to virginia in 1741 the thompsons were scotch irish presbyterians

this is a compilation of references to family history and temple work from the bible book of mormon doctrine and covenants pearl of great price and modern church leaders also there is a chapter on faith promoting stories from family history experiences and a chapter on family stories and descendant charts of the grigg family there is information on how modern research techniques using computers digitizing of records and the internet facilitates the researching and finding of your ancestors the last chapter is an update and republishing of the the book titled parley m grigg jr and thankful halsey gardner s descendants and history published in 1992 this correlated publication shows that in all ages of the world since the creation of adam god has desired his holy ordinances to be done in a house built to his name namely a temple of god this compilation is also designed to show that jesus plan of redemption for all mankind includes vicarious ordinance work for the dead to be done in god s holy temples by those living in the dispensation of the fullness of times this was all in god s plan for the redemption of all mankind before the foundation of this world

a genealogical history of the descendants of abraham morrill b c1615 in hatfield broad oak uttlesford essex england

this is a book containing a diagram that shows the relationships between the challacombes and related families in several generations

this is a genealogical history of the mckneely families of south carolina georgia and louisiana there are two branches to this scotch irish family with this unique spelling one that migrated from south carolina to georgia and then on to texas and other parts of the expanding united states of america then there is the branch that left south carolina in the late 1700s and early 1800s with other families and settled in what at the time was west florida this area then was taken into the united states of america with the purchase of florida from spain and then became a part of louisiana the louisiana branch resided in the parishes called the florida parishes and stayed close to the area until after the first world war when the family began to migrate into other parts of the united states you will find in this book two parts one part covers the mckneely family that migrated to the florida parishes of louisiana and the second part that covers the mckneely family that first migrated to georgia and then to oklahoma and texas there is speculation but no proof that the two lines come from the common immigrant ancestor james mcnealy with various spellings of mcnealy look at the information and decide for yourself whether or not two lines could adopt a common spelling change come from south carolina and have common names and not be related to the common ancestor attached to the louisiana mckneely clan i have attempted to include as much detail as possible about each person personal stories are the spice of a genealogical work i have included as many as possible and included them without edit i am not a politically correct family historian there may be some factually correct material that you may not like or that someone might tell you is not correct please read this account with the times and culture in mind as that is what makes the story a good one do not try to impress yourself on the story but put yourself into the times and places

patrick calhoun immigrated to america in 1733 from ireland

robertson family

this family history explores the ancestry of the wagenbach and wiegand families the book traces the origins of these families in germany among amish mennonites in switzerland and france and in puritan england culminating in the emigration of the two families to the united states the book then continues to follow the evolution of the two families up to the present in each of these phases members of the wagenbach and wiegand families adhered to nonconformist religious traditions that set them apart from their contemporaries and exemplified the biblical notion that narrow is the path which leadeth

onto life and few there be that find it my goal is to provide future generations of these families with an accurate and inspiring understanding of their past

a regimental surgeon promoted to hospital director in the war of 1812 joseph lovell md became the first army staff level surgeon general this volume in borden s history of medicine series is an in depth analysis of how lovell s report on army medicine just after the war gave rise to innovations from focus on the soldier s welfare and preventive medicine to accurate epidemiology and experimental research that formed the organizational and functional principles of today s professional and effective medical department provided by publisher

in september 1776 two men from connecticut each embarked on a dangerous mission one of the men a soldier disguised as a schoolmaster made his way to british controlled manhattan and began furtively making notes and sketches to bring back to the beleaguered continental army general george washington the other man traveled to new york to accept a captain s commission in a loyalist regiment before returning home to recruit others to join british forces neither man completed his mission both met their deaths at the end of a hangman s rope one executed as a spy for the american cause and the other as a traitor to it neither nathan hale nor moses dunbar deliberately set out to be a revolutionary or a loyalist yet both suffered the same fate they died when there was every indication that britain would win the american revolution had that been the outcome dunbar convicted of treason and since forgotten might well be celebrated as a martyr and hale caught spying on the british would likely be remembered as a traitor rather than a revolutionary

hero in the martyr and the traitor virginia dejohn anderson offers an intertwined narrative of men from very similar backgrounds and reveals how their relationships within their families and communities became politicized as the imperial crisis with britain erupted she explores how these men forged their loyalties in perilous times and believed the causes for which they died to be honorable through their experiences the martyr and the traitor illuminates the impact of the revolution on ordinary lives and how the stories of patriots and loyalists were remembered and forgotten after independence

some vols include supplemental journals of such proceedings of the sessions as during the time they were depending were ordered to be kept secret and respecting which the injunction of secrecy was afterwards taken off by the order of the house

click here to visit volume i of this book this volume continues the story of the american family started in the 18th century by john broome and rebecca lloyd in new york a street in new york city a county in new york state and a town in new york are named for john broome volume ii contains the stories of the 6th and 7th generations of the broome family up to the 21st century plus there are histories for multiple generations of related families volume ii also contains the source endnotes for all of the generations of all of the families in both volumes and the bibliography for both volumes each volume has its own index in addition to the broome family volume ii has stories of the families of allen calnon dolan farley faulkner geiss hallowell judge keyworth laughlin livingston nevins orme reidy riley schereschewsky schilling schwarz toole turk vagliano valley velasquez and many more and in ireland breheny o gara and o hare photographs of some individuals and family homes are included see where and how these families lived the wealthy and those of modest means get public glimpses into private lives
