how are prestige and power anchored in eu brussels which performances are valued and which are not pawel lewicki s ethnographic analysis gives an insight into how different understandings of modernity and class structures reproduce national performances and stereotypes among eu civil servants divisions permeate both political and private life and are not only visible on the map of the city but also in lifestyles of people living and working in eu brussels in such a cultural setting the strategies applied by newcomers to the eu are shown by pawel lewicki in an impressive way he shows how their presence reveals deeper postcolonial and post imperial dynamics at the heart of the union

the book edited by four known specialists of european history presents for the first time a discussion among european historians on the european public sphere since the 1950s it treats the general perspective and deals also in special articles with the role played by the european union by the council of europe and by national media such as television and film the volume shows that the role of the european public sphere is often underestimated and that it is gradually becoming more influential and forceful not only in politics but also in culture sous la direction de quatre spécialistes renommés de l histoire européenne cet ouvrage présente de façon inédite un débat entre historiens de l europe sur l espace public européen et son évolution depuis les années 1950 la question est abordée dans son ensemble mais certaines contributions traitent aussi plus spécifiquement du rôle joué par l union européenne par le conseil de l europe et par les médias nationaux comme la télévision et le cinéma ce volume montre que l on a souvent sous estimé l espace public européen alors que son influence est de plus en plus importante tant au niveau politique que culturel

how many people really know all the capitals of europe you would think this was relatively easy but the map of europe has changed many times throughout history even in recent times i have opted to include all the uk capitals and capitals of countries in more than one continent i e russia turkey kazakhstan azerbaijan and georgia all of which are countries which span europe and asia this means that this book covers 54 countries and capitals that s more countries than most people realise are in europe this book is available in two formats kindle and a glossy softback if you have the kindle version you can either navigate by going from page to page or you can choose any page from the contents page and then return to the contents page in the normal way you do on your device if you have the glossy softback you can flick through it in much the same way but i have left plenty of room on each page so that if you want it could be used as a project book with information written in doodles and drawings included and or pictures stuck in this would make a great project book

this book for children roughly 9 to 12 years old gives an overview of europe and explains briefly what the european union is and how it works publisher s description
