canadian women in print 1750 1918 is the first historical examination of women s engagement with multiple aspects of print over some two hundred years from the settlers who wrote diaries and letters to the new women who argued for ballots and equal rights considering women s published writing as an intervention in the public sphere of national and material print culture this book uses approaches from book history to address the working and living conditions of women who wrote in many genres and for many reasons this study situates english canadian authors within an extensive framework that includes francophone writers as well as women s work as compositors bookbinders and interveners in public access to print literary authorship is shown to be one point on a spectrum that ranges from missionary writing temperance advocacy and educational texts to journalism and travel accounts by new woman adventurers familiar figures such as susanna moodie l m montgomery nellie mcclung pauline johnson and sara jeannette duncan are contextualized by writers whose names are less well known such as madge macbeth and agnes laut and by many others whose writings and biographies have vanished into the recesses of history readers will learn of the surprising range of writing and publishing performed by early canadian women under various ideological biographical and cultural motivations and circumstances some expressed reluctance while others eagerly sought literary careers together they did much more to shape canada s cultural history than has heretofore been recognized

a history of canadian economic thought investigates the relationship between the

evolution of economic theory and the particular geographical and political context of that theory theories and policies are critiqued by testing them against both the conditions to which they were applied and against competing theories not surprisingly canadian economics reflects a number of significant issues in canadian history neill argues that there were distinctive economic movements in nineteenth century ontario and in early twentieth century quebec but that these have been displaced by an emerging north american discourse the book includes full accounts of the work of all the major figures in canadian economics including john rae h a innis and harry johnson

canada and the idea of north examines the ways in which canadians have defined themselves as a northern people in their literature art music drama history geography politics and popular culture from the franklin mystery to the comic book superheroine nelvana glenn gould s documentaries the paintings of lawren harris and molson beer ads the idea of the north has been central to the canadian imagination sherrill grace argues that canadians have always used ideas of canada as north to promote a distinct national identity and national unity in a penultimate chapter the north writes back grace presents newly emerging northern voices and shows how they view the long tradition of representing the north by southern activists artists and scholars with the recent creation of nunavut increasing concern about northern ecosystems and social challenges and renewed attention to canada s role as a circumpolar nation canada and the idea of north shows that nordicity still plays an urgent and central role in canada at the start of the twenty first century

since the second world war toronto s image as a rather staid predominantly british community has been transformed through massive immigration into what has been aptly described as a salad bowl of identifiable ethnic communities with their characteristic languages neighbourhoods shops newspapers radio programs and sporting events

canada s deep crown looks at the role of the sovereign from the perspective of political science history and law to assess its role and influence in respect to how canadians govern themselves

lord durham s report on the affairs of british north america is usually discussed only in terms of its historical context the events that brought durham to canada and the consequences of the report s reform proposals in a markedly different approach janet ajzenstat treats the report as a text in modern political thought she develops durham s underlying arguments and assumptions demonstrating the essentially liberal character of his recommendations and revealing a tough minded argument

about political freedom and the place of national minorities in a free society

these essays look at key social economic and political issues of the times and show how they influenced the developing legal system

the latest edition of politics offers a comprehensive and comparative approach to the essential components of democratic politics in today's states the book begins by addressing ways of thinking about politics community and society offering broad outlines of political theory in a historical context johnston then provides a comparative framework for understanding basic democratic systems which is drawn upon in subsequent sections on institutions the political process and governing the result is an accessible introduction to contemporary democratic politics that is also deeply theoretical and comparative in scope the fourth edition has been revised throughout and rewritten with a more focused narrative the student friendly design incorporates more visuals and sidebars as well as chapter objectives and a glossary in order to make the material easily digestible in addition a new companion website provides self study support for students along with a wealth of materials for instructors to draw from when developing lectures tutorials assignments and exams see johnstonpolitics.com for more information

2008 united states postal system's rita lloyd moroney award in the era before airplanes and e mail how did immigrants keep in touch with loved ones in their homelands as well as preserve links with pasts that were rooted in places from which they voluntarily left regardless of literacy level they wrote letters explains david a gerber in this path breaking study of british immigrants to the u s and canada who wrote and received letters during the nineteenth century scholars have long used immigrant letters as a lens to examine the experiences of immigrant groups and the communities they build in their new homelands yet immigrants as individual letter writers have not received significant attention rather their letters are often used to add color to narratives informed by other types of sources authors of their lives analyzes the cycle of correspondence between immigrants and their homelands paying particular attention to the role played by letters in reformulating relationships made vulnerable by separation letters provided sources of continuity in lives disrupted by movement across vast spaces that disrupted personal identities which depend on continuity between past and present gerber reveals how ordinary artisans farmers factory workers and housewives engaged in correspondence that lasted for years and addressed subjects of the most profound emotional and practical significance

this psycho social examination of the quebecois separatist movement is based on

extensive interviews with a variety of persons its surprising results include the discovery that a desire for economic improvement or enhanced political power rarely motivates participation in the movement

this expanded and updated edition of canadian natural resource and environmental policy examines policy making in one of the most significant areas of activity in the canadian economy natural resources and the environment it discusses the evolution of resource policies from the early era of exploitation to the present era of resource and environmental management including the kyoto protocol using an integrated political economy and policy perspective the book provides an analytic framework through which ideological perspectives administrative structures and substantive issues are explored résumé de l'éditeur

emigrating from quebec to new england in large numbers after the civil war french canadians became by 1900 the largest non english speaking ethnic group in massachusetts this study reevaluates the political behavior of french canadians in massachusetts from 1885 to 1915 and analyzes the complex relationship between ethnicity and politics
