for many in the english speaking world islam remains a mysterious religion what is islam in the first place does it mean peace or does it mean submission can it mean both what is jihad sharia hadith who is allah what is a caliph caliphate or infidel in this compact volume an expert in the study of islam provides explanations for more than one hundred important islamic concepts and terms which are divided into major sections texts history faith and belief practice and religious duties jurisprudence and movements ayman ibrahim first introduces the section then defines each concept or term briefly readers can read a chapter at a time or flip through the book to find concepts or terms as needed each term is described based on original muslim sources mainly written in arabic as well as ample scholarly studies this introductory guide is written for anyone with little to no knowledge of islam it complements the author s a concise guide to the quran and a concise guide to the life of muhammad together these three volumes are useful as a set of resources on islam

this work condenses profiles and synthesises the essentials of islam as a religion and a way of life it was originally written as a supplement to basic classroom reading requirements to cover questions that could not be answered readily

what is so unique about islam s scripture the quran who wrote it and when can we trust its statements to be from muhammad why was it written in arabic does it command muslims to fight christians these are a few of the thirty questions answered in this clear and concise guide to the history and contents of the quran ayman ibrahim grew up in the muslim world and has spent many years teaching various courses on islam using a question and answer format ibrahim covers critical questions about the most sacred book for muslims he examines muslim and non muslim views concerning the quran shows how the quran is used in contemporary expressions of islam answers many of the key questions non muslims have about the quran and islam and reveals the importance of understanding the quran for christian muslim and jewish muslim interfaith relations this introductory guide is written for anyone with little to no knowledge of islam who wants to learn about muslims their beliefs and their scripture

describes the muslim faith explaining the history of the religion as well as its basic beliefs and its various cultural expressions around the world

opening the qur an can be a bewildering experience to non muslim english speaking readers those who expect historical narratives stories or essays on morals are perplexed once they pass the beautiful first surah often shocked and then bogged down by surah 2 and even offended by surah 3 s strictures against nonbelievers walter h wagner opens the qur an by offering a comprehensive and extraordinarily readable step by step introduction to the text making it accessible to students teachers clergy and general readers interested in islam and islam s holy book wagner first places the prophet muhammad the qur an and the early muslim community in their historical geographical and theological contexts this background is a basis for interpreting the qur an and understanding its role in later muslim developments as well as for relationships between muslims jews and christians he then looks in detail at specific passages moving from cherished devotional texts to increasingly difficult and provocative subjects the selected bibliography serves as a resource for further reading and study woven into the discussion are references to islamic beliefs and practices wagner shows great sensitivity toward the risks and opportunities for non muslims who attempt to interpret the qur an and sympathy in the long struggle to build bridges of mutual trust and honest appreciation between muslims and non muslims

william shepard an experienced teacher in the field traces the history of islam from its early environment and origins in the life and career of mohammed through its classical expressions to its interactions with the west in the modern world shepard devotes a chapter each to important topics such as the qur an

islamic law islamic theology and the sufi movement in addition to this four chapters are devoted to studies of islam in individual countries turkey iran egypt and indonesia and shepard explores islamic civilization through discussion of islamic art and culture and community rituals back cover

an expert in the study of islam answers thirty important questions about muhammad offering a clear and concise guide to his life and religious significance this companion volume to the author s a concise guide to the quran answers many of the key questions non muslims have about muhammad reveals the importance of muhammad for christian muslim and jewish muslim interfaith relations and examines muslim and non muslim primary sources this introductory guide is written for anyone with little to no knowledge of islam who wants to learn about muslims their beliefs and their prophet

is your child ready to learn about islam do you want to help them develop a healthy relationship with allah this book is a great place to introduce them to a world religion children are naturally curious and want to learn about things including where they came from and how they were made introducing them to allah and the islamic faith at an early age is a crucial part of their education if you want them to grow as responsible members of society and become good muslims what islam teaches me introduces the basics of islam to kids in a simple but effective way that is both educational and fun it will teach them the basic principles of the religion of islam who is allah and how to get close to him what is the holy quran who is prophet mohammad peace be upon him the six articles of faith in islam the five pillars of islam what is jannah paradise and much more the love of allah is already instilled in our children s hearts all it takes is for you as a parent to nurture it and make it a central part of your child s life with the help of the sincere seeker kids collection you can instill in your child a proper islamic upbringing and knowledge of the religion starting right here with an introduction to the islamic faith scroll up now and click add to cart for your copy

the love of allah is already instilled in our children s hearts and it is our duty as parents to help nurture and sustain that love we must teach our children at an early stage what islam is who our creator is and what the holy quran is so they can develop a strong and loving bond for them making it easier for them to grow up with a healthy islamic mindset and lifestyle getting to know and love islam early this children s book aims to introduce the basics of the religion and lifestyle of islam in an easy fun and educational way every page introduces a vital component of islam along with an image for your child to better understand and appreciate

a revised and updated edition of waines wide ranging account of the history and theology of islam
