sample book insights
1 we all love gifts we love the blessings that beautify our lives but what happens when a gift becomes more than just a gift when a want becomes a need a favor becomes a dependency and a gift is no longer only a gift
2 the tragedy of our choice is that we chain our necks with attachments and then ask why we choke we put aside our real air and then wonder why we can t breathe we give up our only food and then complain when we re dying of starvation
3 the true purpose of the gift is to bring us to god we will suffer the moment we turn our wants into needs and our one true need into a commodity we think we can do without
4 the foundation of islam is tawheed or oneness but tawheed is not just about saying that god is one it is about the oneness of purpose of fear of worship and of ultimate love for god it is about the oneness of vision and focus
