the doctoral thesis argues that the term subcreation with its revised and broadened definition in part differing from j r r

tolkien's original term subcreation may be used for the discussion of the making of fictional worlds in literary discourse the successful conception of a fictional world depends on the reader's willing suspension of disbelief this depends both on the author and his skilled composition of the world and all its aspects as well as on the reader's acceptance of this invented fictional world the author needs to create a narrative with an inner consistency which is crucial to achieving the effect of the reader's immersion in the fictional world the fundamental aspects that an author needs to realize to achieve successful subcreation have been structured into and analysed in four categories language and linguistic variation physiopoeia anthropoeia and mythopoeia furthermore this thesis shows that as contemporary examples of fantastic literature both tad williams's and terry pratchett's fictional worlds are successfully created through the realization of these aspects of subcreation apart from commenting on the success of the subcreative process this thesis also remarks upon the cultural influences both authors include in their writings while both may be considered anglophone in a general categorization pratchett's discworld retains a feeling of britishness that is not to be found in williams's otherland the thesis proposes several approaches to subcreation that may be studied subsequently so for example it may be possible to determine the success of an author's subcreation by collecting empirical data apart from literary works this field of studies may also include other media

fantasy is both old and new in the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact it is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more historical dictionary of fantasy literature second edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum more than 200 other entries describe the fantasy sub
