the repair manual for uncle sam and america is written to cut through the
infinite mass of psycho babble that has been thrown at the american people
for decades thousands of books and articles have been written to analyze our
problems yet with all that verbiage we have not fixed anything today we are
broke and in debt we have wasted our wealth on needless wars our drug
problems have not abated our prisons are overcrowded illegals mooch off our
system our health care system is broke along with our social security we are in
trouble and there is no more american dream our government does not
understand globalization and we are loosing jobs because of it our politicians
are stalemated along party lines and nothing is done to benefit the people this

repair manual points out our greatest dangers and offers simple rational logical solutions to fix the problems at one time america had a great world image a great economy it was a land of opportunity for everyone where is all that now today we must start to fix it restore it because the road we are on today will lead to anarchy and then to a totalitarian socialist state americans must become informed and involved in our political system because without their help our politicians will take us down the same path we are on leading down

i m afraid you re at the top end of the healthy weight range said the doctor this is doctor s speak for you are fat do you know how much i d weigh if i was on pluto no idea replied the doctor only 2 3 kilograms practically nothing meet sam science geek extraordinaire and have an exclusive peek at his top secret logbook when a meteorite crashes into sam s school bike shed his class have a lot of questions about space the universe and life on earth but can they believe in god and the big bang they make some cool discoveries that show them that surprisingly the answer is a clear yes a fact filled and thought provoking story that will make you chuckle
