as a spokesman for a country a continent and the developing world thabo mbeki played a crucial role in world politics but to many people he remained an enigma throughout his presidency is this simply because he was a secretive man or were there complicated political factors at play who was the real mbeki in this book multiple award winning journalist william mervin gumede chronicles mbeki s spectacular rise to dominate africa s oldest liberation movement he explores the complex position that mbeki occupied following in nelson mandela s footsteps holding together an alliance with deep ideological

differences and ruling an intensely divided country revealing the political and personal tensions behind the scenes gumedé explains how mbeki sought to mould the anc into his image through tight control and exposes the intrigues behind the battle for succession covering mbeki's attempts to modernise the economy and kick start an african renaissance and investigating his controversial stance on issues from aids to zimbabwe the book offers invaluable insights into the arcane machinations behind political decisions that touch the lives of millions every day

a story of war and peace in mozambique and beyond memories at low altitude spans four decades of southern african history from the point of view of one of its main protagonists jacinto veloso fought in the mozambican liberation struggle and served as a minister in samora machel's cabinet after independence when the region was dominated by civil war and the conflict between east and west veloso's story covers many fascinating issues of this period among them the conflict between frelimo and the south african backed renamo the negotiations that resulted in the nkomati accord in which he was a key participant the processes that contributed to the withdrawal of cuban and south african troops from angola and the independence of namibia the impact of post independence mozambique's strictly socialist economy and its subsequent shift to a more market orientated approach and the aeroplane crash in which samora machel was killed veloso's insights are particularly interesting given his role in the commission of inquiry into the crash

this book tells the story of task force ranger a unit of us rangers and special forces and their attempt to capture the lieutenants of the somali warlord muhamed farrah aideed during the 1993 united nations humanitarian relief mission what started as a simple snatch and grab mission quickly degenerated into a desperate battle for survival when us black hawk helicopters were struck by rocket propelled grenades and crashed into the streets of mogadishu racing to save the crew task force ranger was surrounded by mobs of hostile somali gunmen the battle in the city raged all night as the better equipped and better trained us forces kept the nearly overwhelming numbers of somalis at bay finally battered bloodied and low on ammunition the task force was rescued by a combined un and us relief force and extracted to safety containing detailed maps and declassified information this is a dramatic retelling of a brutal battle that had a far reaching impact on us military policy
