a perennial problem for spiritual traditions of all sorts is dualism either a positing of a false distance between the divine and the created or a rejection of creation and the human body many contemporary spiritual seekers have sensed this problem and sought to remedy it through myriad solutions drawn from various spiritual traditions and secular wisdom both eastern and western cyprian consiglio osb cam explores christianity s contribution to the discussion he offers a revisioning and rearticulation of this teaching based on the prophetic seminal work of bede griffiths toward a practical and integral spirituality that reverences all aspects of our being human spirit soul and body

healthy living is a challenge often fraught with feelings of defeat and unwanted consequences of our poor choices while we often resort to trying harder or enlisting in a program or fatalistically giving up there is a better way god has provided all we need to navigate the waters of successful daily living and being stewards of the life he s given us his word is filled with principles covering every area of our lives becca rumeliotis shares from her life experiences and studies how god is faithful to lead guide and sustain us if we allow him to be lord of our lives and commit to following his word in taking care of the body soul and spirit he has entrusted to us

discover how to live a spiritual life instead of a soulish life we are tripartite beings having body soul and spirit the spirit is conscious of god the soul of self and the body of the things of this world in this relatable treatise backed by her own experience author juliet tennison describes how to avoid war within ourselves as she examines the spirit soul and body and unpacks scriptural truths about spiritual versus carnal living god created us for love and to have an intimate relationship with him we will never understand who we are until we see ourselves as god sees us in the garden of eden man had perfect relationship with god but after the fall sin separated man from him adam and eve hid from god because the soul had become self conscious instead of god conscious and they could no longer enjoy walking in fellowship with a holy god we were created to love god and to love others but our soul keeps us from ever achieving this purpose we must lose our soul to love and we must seek god who is love god created us to live a supernatural life by the power of the holy spirit our brain our will and our emotions which make up our soul are natural the body we walk in is natural the soul and the spirit are so close to one another that the two require the word of god to divide them to separate

them from each other for the word of god is living and powerful and sharper than any two edged sword piercing even to the division of soul and spirit and of joints and marrow and is a discerner of the thoughts and intents of the heart hebrews 4 12 so many of us practice religion without relationship this is churchianity we attend church but have no relationship with jesus christ we pray for forgiveness without repenting our sins repentance means to stop doing our will and to start doing god s will we struggle in our walk with god because we fail to differentiate between our soul and our spirit we substitute the thoughts or emotions of the soul for the works of the holy spirit the holy spirit can only take residence in our spirit it is in our spirit that we worship fellowship and stay connected to god for god is spirit and those who worship him must worship in spirit and truth john 4 24 the knowledge of god is not some generic idea that he exists up there it involves an intimate acquaintance with his character and actions god s love is manifested in his son jesus christ s life death and resurrection he has placed his spirit within his adopted children giving us a heart to love him a mind to know him and a will to obey him the salvation which comes from god means being completely delivered from our self and being placed into perfect union with him by the power of the holy spirit as fallen humans we need a savior to save us from our own wicked soul salvation is only understood in our spirit and only when the spirit is made alive by the indwelling of the holy spirit the soul cannot comprehend this because it is filled with its own pride neither can the body which is world conscious and only understands the worldly things knowing these things we learn to live a victorious spiritual life as the holy spirit lives in our spirit and we crucify the detrimental desires of the soul and body
