what still alive offers a powerful and deeply affecting examination of the complex memories of jewish survivors returning to their homes in poland after the holocaust these survivors left unparalleled testimonies of their first impressions with the jewish historical commissions from 1944 to 1950 as many survivors found they were no longer welcome by their polish neighbors they chose to settle in the new state of israel again these surviving jews left testimonies describing their postwar returns in what still alive rice investigates the transformation of survivors memories from the first

account after their initial return to poland and later accounts recorded at yad vashem in jerusalem between 1955 and 1970 through close readings of these firsthand narratives rice traces the ways in which the passage of time and a changing geopolitical context influenced the survivors memories

a controversial bestseller likened to primo levi and elie wiesel still alive is a harrowing and fiercely bittersweet holocaust memoir of survival a book of breathtaking honesty and extraordinary insight los angeles times swept up as a child in the events of nazi era europe ruth kluger saw her family s comfortable vienna existence systematically undermined and destroyed by age eleven she had been deported along with her mother to theresienstadt the first in a series of concentration camps which would become the setting for her precarious childhood interwoven with blunt unsparing observations of childhood and nuanced reflections of an adult who has spent a lifetime thinking about the holocaust still alive rejects all easy assumptions about history both political and personal whether describing the abuse she met at her own mother s hand the life saving generosity of a woman ss aide in auschwitz the foibles and prejudices of allied liberators or the cold shoulder offered by her relatives when she and her mother arrived as refugees in new york kluger sees and names an unexpected reality which has little to do with conventional wisdom or morality tales among the reasons that still alive is such an important book is its insistence that the full texture of women s existence in the holocaust be acknowledged not merely as victims kluger insists that we look at the holocaust as honestly as we can which to her means being unsentimental about the oppressed as well as about their oppressors washington post book world

civil war studies normally focus on military battles campaigns generals and politicians with the common confederate soldiers and southern civilians receiving only token mention using personal accounts from more than two hundred forty soldiers farmers clerks nurses sailors farm girls merchants surgeons chaplains and wives author jeff toalson has created a compilation that is remarkable in its simplicity and stunning in its scope these soldiers and civilians wrote remarkable letters and kept astonishing diaries and journals they discuss disease slavery inflation religion desertion blockade running and their never ending hope that the war would end before their loved ones died a major portion of these documents were unpublished and were made available by the brewer library of the united daughters of the confederacy with this his third significant contribution to civil war literature jeff toalson joins the select company of thomas w cutrer and bell i wiley as historians who have devoted their body of work to preserving the voices of common confederate soldiers and civilians

according to the united states of america i was declared dead by our government in july of 1994 you know this is something that you think is

probably just a ridiculous error on the part of the government surely it's going to be cleared up give some considerable time yet four years later in 1998 I was yet classified as deceased but I was then and I am currently now very much alive p 4 of cover

when her grandfather the owner of a haunted savannah tavern built in the 1750s is murdered Abigail works with agent Malachi Gordon a member of the FBI's paranormal investigation unit to solve the murder

Follow Jimmy on his journey from his birth through to the birth of his first child at the age of 21 his early life was filled with every kind of deprivation he was constantly living on the edge of starvation the threat of death was never far away either from his home life or from his multiple abusers the authorities knew what was going on but they didn't help the most they did was observe the schools also knew the treatment he was getting at home every day of his young life was lived in fear his mind his body and his very soul were shattered 3 times he was placed into a children's home a place that should have offered a bit of safety but this place was no better it was just another place of fear and terror and abuse only this time at the hands of strangers for little Jimmy no matter where he turned he found no peace or comfort his abuse and torment went on until he was in his early teens Jimmy's early life left him confused with what he was meant to be was he straight or gay he hid all the traumas from everyone at times he would drink away the pain but it never left him help arrived in the shape of Judy she loved his pain away it was a love he had never felt before a pure unconditional love for both of them but this was ripped away from them through lies and deceit it led to them being jobless penniless homeless a mental hospital and the ultimate ending of their love none of it their fault all done out of pure spite Jimmy was left alone no Judy no family no home no job no money no hope and no help he tried to get his life back together as best he could but he would endure more obstacles a house fire that nearly killed him a 21st birthday spent alone in the cold and rain a spell in prison his life only made sense when his first child was born it's when he began to feel normal but for over 40 years Judy remained in his head and heart how could he just forget her he couldn't

A soul touching and inspiring book God is alive and well presents a fresh and exciting view of God that will ultimately draw readers into a deeper understanding of and relationship with their creator Dr Walker asserts that to fully understand the God of all creation we must turn to recent discoveries in the field of quantum physics specifically as they relate to the study of new energy known as quantum or invisible energy Dr Walker calls this the God energy of all creation it created and continues to create all that exists including him herself understanding God as the true spiritual energy has the potential to revolutionize our own spirituality the divine initiates relationships with us as part of his/her continuing

development the relationship is reciprocal as modeled in the life of christ when we are born again or spiritually awakened we turn our lives over to god and trust him her to guide us through the various dimensions of life while we do our part by exercising our heart to love and care for all life joined together in the divine energy prepare to be challenged and awakened as you journey into a theological and spiritual adventure that could revolutionize your relationship with the almighty

for anyone struggling to understand john s writings in revelation this book provides true biblically based answers through detailed insight into the letters john wrote to seven churches of his day you will learn how to avoid the inherent pitfalls of the first adam mentality to overcome today s trials and tribulations the more you understand the book of revelation the more you will be disarmed of the fears intimidations rhetoric and flood of information spewing from the dragon s mouth this overflow of propaganda has kept the human family afraid to even read the book of revelation when in fact it is the only book in the bible that declares a built in blessing to those who read and understand it

five years in the making this first of a series is a lot more than just a compilation of bible studies this collection of paul s writings presents them from broader perspectives that are much more applicable to modern life than one might expect each study is limited to a few pages for the sake of brevity these studies are done from a whole new 21st century perspective that is sure to educate while making the process enjoyable over 550 pages of enlightenment a must read for believers whether they attend church or not an inspirational guide for secular folks too

now including a new chapter israel in galatians over 80 of the promises and prophecies of the old testament have been literally fulfilled it is a simple matter of faith in god s faithfulness to believe that he means what he says and will do what he says he will do this study reveals that both the people and the place called israel have a significant role in god s future plans for world redemption

ecclesiastes is a persuasive speech with a rhetoric so unique that it can be easily misunderstood it speaks powerfully to believers as well as nonbelievers because it addresses the question of the meaning of life in the most satisfying way the heart of this book is an expositional commentary that interprets ecclesiastes as authoritative scripture it seeks to recover the rhetoric of the speech in terms of its comprehensive message on the meaning of life as well as its compelling force to get the message across preceding the expositional commentary is an introduction to ecclesiastes that presents a new approach to outlining and reading ecclesiastes as a coherent speech it also presents an overview of the forest the overall rhetorical flow of the speech from beginning to end this is to prevent one from getting lost when immersed in the trees of the

expositional commentary following the expositional commentary are two topical studies to give ecclesiastes the breadth and depth of coverage it deserves the first is an interdisciplinary exposition on the meaning of life the second is an interpretive essay to defend exegetically the interpretation of ecclesiastes as a coherent speech

statistics unlocking the power of data 4th edition with corequisite support content is designed for an introductory statistics course focusing on data analysis using real world data and applications students use simulation methods to effectively collect analyze and interpret data to draw conclusions randomization and bootstrap interval methods introduce the fundamentals of statistical inference bringing concepts to life through authentically relevant examples more traditional methods like t tests chi square tests etc are introduced after students have developed a strong intuitive understanding of inference through randomization methods while any popular statistical software package may be used the authors have created statkey to perform simulations using data sets and examples from the text a variety of videos activities and a modular chapter on probability are adaptable to many classroom formats and approaches

the aim of the scientific image is to develop an empiricist alternative to both logical positivism and scientific realism against positivism the author insists on a literal interpretation of the language of science and on an irreducibly pragmatic dimension of theory acceptance against realism he argues that the central aim of science is empirical adequacy and that the only belief involved in the acceptance of a scientific theory is belief that the theory fits the observable phenomena to substantiate this the book presents three mutually supporting theories concerning science the first is an account of the relation between a scientific theory and the empirical world the second is a new theory of explanation and why questions according to which the explanatory power of a theory is a pragmatic aspect which goes beyond its empirical import but which provides no additional reasons for believing it and the third is an interpretation of probability in physical theory with reference to both classical and quantum physics the presentation of these three central theses is preceded by two chapters which provide an informal introduction to current debates in the philosophy of science particularly concerning scientific realism

if you re open to hearing god even when you re sleeping your dreams can be a rich source of revelation and insight one man s dream saves his family from what could have been a deadly fire a fifty two year old woman finally understands a dream she s been having since she was thirteen a policeman s dream warns a friend of a dangerous encounter with a suspect church elders have the same dream about a change in the church s leadership a strange and frightening dream warns a mother of a potentially dangerous relationship in her son s life a dream confirms an east indian

man's decision to become a christian as you read the details of these and other dreams that dr greg cynaumon describes you will find that they and the circumstances that surrounded them were more than coincidental you will be convinced that god who is concerned and involved in the lives of individuals has something to say through dreams and you won't want to miss his messages dr cynaumon examines dreams from a perspective that is both scientific and biblical he explores dream interpretation explains some common dream symbols and answers questions about dreams and their occurrences in scripture he also corrects several popular myths about dreams if you desire to unravel one of life's great mysteries but are wary of secular approaches to this subject then you'll want to explore with dr cynaumon how god still speaks through dreams

here is a lively journey through the gospel according to mark providing many powerful fresh insights with a new very personal approach this book helps us to understand and apply revealed truth

dying but not dead is a book about end of life care it takes a look at how we often times see the dying it is an observation from the hospice chaplain as to how we often respond to those who have been given a terminal diagnosis it is also a glimpse of the patient's emotional psychological and spiritual response to death and dying the intent of the book is that we become better listeners to those we companion during end of life care it is about listening to them and hearing what they have to say it is about enhancing their dignity and comfort during their journey

live joyfully and celebrate life there is abundant joy in this world for everyone you just need to take your share and enjoy it you have a one time opportunity to live a happy life so why fret fume or worry over trivial things in life love to live joyfully and enjoy every moment of life this handy guide will help you give a new meaning to your life the book is filled with quotes by various eminent personalities and many wise sayings which will have a great impact on your life it gives suggestions and guidelines and leaves the final option to you this book is a must buy to enter into the realm of happiness and relish the joys of life so enjoy life while you have it for it doesn't last long and will not come again
