what is the role of spiritual experience in poetry what are the marks of a religious imagination how close can the secular and the religious be brought together how do poetic imagination and religious beliefs interact exploring such questions through the concept of the religious imagination this book integrates interdisciplinary research in the area of poetry on the one hand and theology philosophy and christian spirituality on the other established theologians philosophers literary critics and creative writers explain by way of contemporary and historical examples the

primary role of the religious imagination in the writing as well as in the reading of poetry

mary oliver has been writing poetry for nearly five decades and in that time she has become america's foremost poetic voice on our experience of the physical world this collection presents forty two new poems an entire volume in itself along with works chosen by oliver from six of the books she has published since new and selected poems volume one

a major poet in english kamala das's taboo breaking work explores themes of love and betrayal the corporeal and the spiritual while celebrating female sexuality and remaining deeply rooted in the poet's ancestral tradition and landscape a rigorous selection from her oeuvre six published volumes and other uncollected and previously unpublished poems this edition offers a unified perspective on her poetic achievement an illuminating introduction to her poetry by devindra kohli traces the sources of its ferment and showcases its originality of style and its acts of resistance

this selection of the works of w b yeats includes the final book from the unfairly neglected narrative poem the wanderings of oisín and a number of lyrics from yeats's work as poetic dramatist it breaks new ground by allowing the reader to engage with a dozen poems in alternative versions in many other cases it provides significant variants so that yeats's struggle to revise his poetry can be experienced with unusual immediacy
