the four obsessions of an extraordinary executive presents a compelling leadership fable that delves into what truly makes an organization thrive patrick lencioni returns to the narrative style that made the five temptations of a ceo a bestseller using story to illuminate critical principles of executive leadership the tale follows rich o connor ceo of the

technology consulting firm telegraph partners whose secret yellow sheet guides his every decision a tool so private that few around him understand it yet it shapes the entire organization the narrative tension escalates as this tool and the organizational disciplines it represents become the focus of an employee's plan to undermine the company through this high stakes scenario lencioni demonstrates that building a healthy organization is far more than managing operations or financials it is the essential foundation for sustained success he weaves lessons into the story with clarity showing how an executive's attention to organizational health can prevent dysfunction drive engagement and create a culture that fosters productivity and loyalty the book introduces four key disciplines that executives can adopt to ensure their organization remains aligned cohesive and effective these disciplines emphasize clarity consistency accountability and the creation of shared values that guide behavior across all levels of the firm by internalizing these principles leaders can navigate challenges without sacrificing the long term health of their company through o'connor's journey readers gain not only a gripping tale of corporate intrigue but also a practical framework for leadership lencioni's fable style allows complex organizational concepts to be absorbed intuitively making the lessons both memorable and immediately applicable for anyone striving to be a remarkable leader this book offers a roadmap to build organizations that are resilient purpose driven and extraordinary in their performance

a gripping tale that reveals what occupies the minds of the world's best business leaders as ceo most everything that rich o'connor did had something to do with at least one of the four disciplines on his famed yellow sheet some of the firm's executives joked that he was obsessed with it interestingly only a handful of people knew what was on that sheet and so it remained something of a mystery which was okay with rich because no one really needed to understand it other than him he certainly never suspected that it would become the blueprint of an employee's plan to destroy the firm in this stunning follow up to his best selling book the five temptations of a ceo patrick lencioni offers up another leadership fable that's every bit as compelling and illuminating as its predecessor this time lencioni's focus is on a leader's crucial role in building a healthy organization an often overlooked but essential element of business life that is the linchpin of sustained success readers are treated to a story of corporate intrigue as rich o'connor fictional ceo of technology consulting company telegraph partners faces a leadership challenge so great that it threatens to topple his company his career and everything he holds true about what makes a leader truly exceptional in the story's telling lencioni deftly helps his readers understand the disarming simplicity and power of creating a healthy organization and reveals four key disciplines that they can follow to achieve it in the four obsessions of an extraordinary executive lencioni delivers an utterly gripping tale with a powerful and memorable message for all who strive to be remarkable leaders

being a leader requires much more than just understanding how to run a business today s executive is under a unique set of demands coming from multiple stakeholders in the complete executive long time executive coach karen wright introduces a unique 10 step system that takes all of these aspects of leadership development into account leaders not only need incredible physical energy and stamina they need a support system philosophy plan business acumen a social network and a brand and reputation that will ensure they achieve their vision backed by an assessment tool giving each leader a personal report card this book provides aspiring leaders with a framework to address all aspects of leadership that translates to peak performance wright knows from experience that even when everything is going well for leaders high achievers don t stop there which is why the complete executive is designed as a resource to return to again and again for continuous improvement

what is different about the careers of people like lou gerstner the acclaimed recently retired chairman and ceo of ibm or senator elizabeth dole yahoo coo dan rosensweig and tom freston chairman and ceo of mtv networks why did they ascend to the top and prosper why did they have extraordinary careers while others equally talented never reached their potential or aspirations jim citrin and rick smith of spencer stuart the world s most influential executive search firm set out to explore this question the result based on in depth original research is sure to be the most important and useful book for anyone seeking to crack the code of how to build a rewarding personally satisfying career like weather systems and financial markets careers contain patterns what citrin and smith found from their research and extensive experience is that people with extraordinary careers are guided by five straightforward patterns that can be harnessed and used by everyone these individuals understand the value of you by translating their knowledge and experience into action building their personal value over each phase of their career practice benevolent leadership by not clawing their way to the top but by being carried there solve the permission paradox the dilemma of not being able to get a job without experience and not getting the experience without the job differentiate using the 20 80 principle of performance by storming past their defined jobs to create breakthrough ideas and deliver unexpected impact do not micromanage their careers but macromanage them by gravitating toward the things they are best at and have a passion for and working with people they like and respect no one manages your career for you but with citrin and smith as your guide you ll be able to understand and act on the root causes of success and what better source for strategic career advice than spencer stuart the firm that over the past ten years has conducted more than 60 percent of the searches for fortune 1000 ceos
