he owns the city but claiming me wasn't part of the plan
silas thorne is the kind of antihero that ruins you for anyone else
dark brilliant and terrifyingly in control
reader review they say i have my grandfather's eyes
his grace even his gift for restoration
what they didn't tell me was that he left behind a debt so steep it now has my name on it
my name is elara novak and apparently i belong to the most dangerous man in the city
i thought i was walking into a new job not a war
silas thorne is a king in a world of shadows
the kind of man who doesn't ask he takes
he rules with cold calculation not compassion and he's made it clear i'm collateral
now mine is a life meticulously ordered every brushstroke controlled and he is chaos wrapped in tailored perfection
i should be afraid but the worst part is i'm not
i see the way he watches me the way his anger burns into desire every time he calls me his
i forget i ever wanted to escape the debt may have brought me here but what's growing between us

it's something darker something binding and silas never gives back what he's claimed book 1 of 3 in the vows of the throne series a dark obsessive mafia romance where power seduces loyalty deceives and surrender is the most dangerous vow of all contains psychological power plays morally gray decisions and twisted emotional dynamics for readers who crave intensity and slow burning obsession

he was hired to kill her instead he made her his obsession i'm camila deluca daughter of a fallen empire they told me i wouldn't last the night my father's debts had carved my name onto a death list a casino floor a hired gun one spin of the wheel and i should have been nothing but ashes but then came lorenzo vitale one shot one decision and suddenly i wasn't a corpse on red velvet i was his hostage lorenzo doesn't rescue he doesn't explain he doesn't give he takes every command comes sharp as a blade breathe walk don't scream every look sears deeper than chains and every second in his orbit makes me wonder if the fire inside me is terror or something far more dangerous i should hate him i should fight him but every time he calls me mia vita every time his darkness collides with mine the line between cage and sanctuary blurs this isn't salvation it's possession it's power and lorenzo vitale never lets go of what's his book 1 of 3 in the poison to ashes series a dark obsessive mafia romance where bullets write destinies loyalty deceives and surrender might be the most dangerous sin of all

he owns my body but can he keep my soul grace's struggle and alek's unrelenting grip make this sequel darker sexier and impossible to escape reader review i'm grace morgan or at least i used to be now with alek in my life nothing is the same i'm left facing my own frustration because i swore i'd never belong to a man like him alek miles is ruthless controlling a force no one dares defy i was never supposed to be in his world never supposed to let him into mine but it happened and now no matter how hard i try to break free he won't let me go the worst part i don't know if i want him to every time i get close to the exit door something stops me maybe it's the way his touch lingers the way his voice

wraps around my name like a promise or maybe it's the way despite everything i still crave him love and danger two sides of the same coin and with alek i can't have one without the other book 2 of 3 in the dark instincts series a heart wrenching dark mafia romance where obsession defiance and forbidden desire collide contains dark themes intense emotional stakes and morally complex characters for readers who thrive on raw untamed passion
