charles fox parham is an absorbing and perhaps controversial biography of the founder of modern pentecostalism parham was a deeply flawed individual who nevertheless was used by god to initiate and establish one of the greatest spiritual movements of the twentieth and twenty first centuries helping to restore the power of pentecost to the church and being a catalyst for numerous healings and conversions author dr larry martin is a lifelong pentecostal with decades of ministry as a pastor educator and evangelist he researched the life of this complicated and contradictory figure for over twenty five years before writing this book with a certain degree of hesitancy by disclosing the whole truth about parham s life which has never fully been done before would it give excessive ammunition to the critics of the pentecostal and charismatic movements martin uncompromisingly exposes parham s weaknesses faulty thinking and transgressions while disassociating his behavior from the movement as a whole writing with an inside understanding of pentecostalism and a thoughtful analysis of parham s life that goes beyond the acknowledgment of human frailty to reveal the work of a sovereign god if we don t confront the faults of our spiritual fathers martin says we will fail to address the truth in the way the bible lays bare the faults of some of our greatest biblical heroes of the faith we must recognize and learn from the weaknesses of others as well as their achievements the author of several books on the azusa street revival the history of early pentecostals and the pentecostal church of god martin presents a much needed exploration of the life of one of the most influential religious figures of the twentieth century whose impact is still widely felt today includes photos of parham s life and ministry

william j seymour pentecostal trailblazer and revered pastor of the azusa street revival is a rich and thorough account of the life

and ministry of william j seymour seymour the son of former slaves rose to prominence within the pentecostal movement as the pastor of the azusa street revival dr larry martin s extensive research and knowledge of william j seymour provides a solid framework for the telling of seymour s life ministry and the history of the azusa street revival martin s work not only provides details on seymour s life and ministry but also recounts the racism and discrimination that seymour faced in everyday life and within the church seymour followed god s call to los angeles and in 1906 the azusa street revival began ushering in a new era of pentecostal revival in los angeles and spreading throughout the country and around the world while the revival s prominence over the year s waned due to ongoing prejudice divergent ministry objectives and attempted takeovers the worldwide pentecostal movement remains unbowed and strong over a century later dr martin is part of the pentecostal legacy and has over fifty years devoted to ministry as a pastor educator and evangelist he is the author of several books on the azusa street revival the history of early pentecostals and the pentecostal church of god includes photos of seymour s life and ministry

the most profound event in modern church history took place not in a cathedral but in a clapboard church in los angeles a small congregation of mostly african american worshipers embraced the concept that new testament signs and wonders were still available in the early twentieth century their dramatic spiritual revival which became known as the azusa street revival attracted believers worldwide and launched the modern pentecostal and charismatic movements this event forever changed christian worship music and expression in commemoration of azusa street s 100th anniversary jack hayford tells the story revealing how christians are still experiencing its impact

this is the first book of its kind to cover the standard counseling theories and integrate multiculturalism into every theory chapter in addition every theory chapter is authored by an expert with experience applying individual therapies to a diverse range of clients along with traditional theories the text includes chapters on reality therapy feminist therapy and narrative therapy the chapter on ethics includes multicultural and feminist perspectives student friendly and engaging contemporary psychotherapies for a diverse worldprovides case examples end of chapter resources and suggestions for taking learning beyond the classroom

theories of counseling and psychotherapy fully integrates a multicultural approach which is demonstrated in practice throughout every chapter and every theoretical approach new to the seventh edition increased focus on visual elements such as photos charts and summary tables more focus on case illustrations increased coverage of ethical and legal issues technology and on the counseling relationship added coverage of narrative counseling and brief solution focused counseling

this book provides reliable information about important world religious leaders correcting the misinformation that can be on the internet religious leaders have shaped the course of history and deeply affected the lives of many individuals this book offers alphabetically arranged profiles of roughly 160 religious leaders from around the world and across time carefully chosen for their impact and importance and to maximize inclusiveness of faiths from around the world scholars from around the world each one an expert in his or her field and all holding advanced degrees came together to create an essential resource for students and for those with an interest in religion and its history every entry has been carefully edited in a two stage review process guaranteeing accuracy and readability throughout the work not strictly a biographical reference that recounts the facts of religious figures lives the book helps users understand how the selected figures changed history the entries are accompanied by excerpts of primary source documents and suggestions for further reading while the book closes with a bibliography of essential print and electronic resources for further research

first published in 2003 the most comprehensive book on the topic of multicultural mental health culturally diverse mental health addresses the challenge of counseling diverse populations including multiracial homosexual geriatric and disabled individuals because many clients of diverse backgrounds have entered therapy in the last two decades old models of treatment based on the mainstream majority no longer apply this book compiles the latest research on a widely diverse number of populations and

addresses the issue of resistance to the need to modify old practices to apply to these populations

the intent of this book is to shift from a top down to a bottom up perspective in the way that we understand ethnocultural communities the book outlines the skills identification stage model as initially proposed by parham 2002 to establish specific skills in working with african american communities in addition to highlighting the original african american model the book has adapted the model to highlight its utility with the asian latino native and middle eastern american communities each specific ethnocultural community is addressed with case examples to highlight the model's implementation in addition the book addresses how the content can be integrated into the classroom and how it can help students develop the needed skills to respond to the needs of ethnocultural communities the book also addresses future implications for education training practice and research and elaborates on the multiple perspectives in attempting to understand and further develop a multicultural framework provided by publisher
