this incisive book tells how the lure of the cults is based not on doctrine but on style not on reasoned faith but on the promise of a better life harold bussell draws from scripture the corrective truths that can lead christian youth toward spiritual maturity

a compilation of the entire facts on series cult watch gives you facts about the major cults and movements in a format you can use in counseling or witnessing

it is widely acknowledged that the united states has always provided fertile ground for the growth of new religious movements and cults but modern organized efforts to oppose and restrict them have been less well understood in agents of discord anson shupe and susan e darnell offer a groundbreaking analysis of the operations and motives of these oppositional groups which they generally group under the umbrella term of the anticult movement historically there have always been parallel groups opposed to certain religious movements whether these be anti quaker anti roman catholic or anti mormon the authors establish the cultural context of such movements in the nineteenth century they point out the link between modern anticult movements and nativist movements in american history turning to the postwar era the authors discuss the rise of anticult movements and focus specifically on one of the most prominent the cult awareness network can can was a two tiered organization partly composed of volunteers donors and families affected by cult movements it also included what the authors call an inner sanctum of behavioral science professionals attorneys and deprogrammers using never before reported data on can s activities the authors cite an extensive history of financial impropriety that finally led to the organization s bankruptcy they offer a pointed critique informed by current scholarship of the brainwashing model of mental enslavement presented by the anticult movement that has been a central assumption undergirding its activities at the same time they show how increasing professionalization has gradually begun a shift of such movements to a therapeutic model of exit counseling that rejects the crude methods of earlier intervention strategies in their analysis of the anticult movement nationally and internationally shupe and darnell merge sociological concepts and social history to make unique sense of a hereto

in this introduction to the zondervan guide to cults and religious movements dr gomes defines the characteristics of a cult of christianity and why such a group subverts the search for spiritual truth he explains the emotional and spiritual appeal of cults who is susceptible and the techniques cult leaders use to attract members this book in dealing with a wide range of issues relating to cults and religious movements in general complements the other books in the series all of which focus on specific religious groups why this series this is an age when countless groups and movements old and new mark the religious landscape in our culture leaving many people confused or uncertain in their search for spiritual truth and meaning because few people have the time or opportunity to research these movements fully these books provide essential information and insights

for their spiritual journeys except for this book each book in the series has five sections a concise introduction to the group an overview of the group's theology in its own words tips for witnessing effectively to members of the group a bibliography with sources for further study a comparison chart that shows the essential differences between biblical christianity and the group the writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood

christians are engaged in the ultimate battle the battle for the heart the overwhelming influences of the media materialism and selfish ambition threaten to decay even the most tender of hearts while the world screams to the contrary every christian must fight to maintain a clear conscience and discover what it really means to have the heart of god on the heels of his new york times bestseller mind siege tim lahay with ed hindson equip readers with armor to guard their hearts and draw nearer to god some chapter titles include the battle for the heart the ultimate deception the erosion of trust a prescription for the heart finding god's heart

in recounting the fascinating intersecting stories of jim jones and harvey milk cult city tells the story of a great city gone horribly wrong november 1978 reverend jim jones the darling of the san francisco political establishment orchestrates the murders and suicides of 918 people at a remote jungle outpost in south america days later harvey milk one of america's first openly gay elected officials and one of jim jones's most vocal supporters is assassinated in san francisco's city hall this horrifying sequence of events shocked the world almost immediately the lives and deaths of jim jones and harvey milk became shrouded in myth now forty years later this book corrects the record the product of a decade of research including extensive archival work and dozens of exclusive interviews cult city reveals just how confused our understanding has become in life jim jones enjoyed the support of prominent politicians and hollywood stars even as he preached atheism and communism from the pulpit in death he transformed into a fringe figure a fundamentalist christian and a fascist in life harvey milk faked hate crimes outed friends and falsely claimed that the us navy dishonorably discharged him over his homosexuality in death he is honored in an oscar winning movie with a california state holiday and a us navy ship named after him his assassin a blue collar democrat who often voted with milk in support of gay issues is remembered as a right winger and a homophobe but the story extends far beyond jones and milk author daniel j flynn vividly portrays the strange intersection of mainstream politics and murderous extremism in 1970s san francisco the hangover after the high of the summer of love

cults and new religions aren't hard to find they're in your neighborhood your workplace your school maybe even your family cults are flourishing across america chances are you've encountered one perhaps even know someone who is involved in a cult can you discuss knowledgeably the critical differences between christianity and the teachings of mormonism jehovah's witnesses scientology the new age movement hindu based cults and other prominent groups and religious movements in this essential resource preeminent cult authority ron rhodes explains what cults are why they are cause for concern and why in the 21st century as never before their numbers and memberships are exploding nationally and worldwide drawing on his extensive experience as a cult researcher rhodes offers to the point cutting edge information on twelve major cults and new religions mormonism jehovah's witnesses mind sciences new age movement church of scientology hindu based cults unification church baha'i faith unitarian universalism oneness pentecostalism masonic lodges satanism learning the distinctives of these groups will equip you to deal with any of the thousands of other less significant cults you may encounter the challenge of the cults and new religion includes color photo scripture index subject index glossary bibliography and your resources don't end at the last page you can supplement your knowledge whenever you choose by visiting the author's site at ronrhodes.org for free thorough up to the minute information on each cult discussed in the book if you're concerned for the temporal and eternal welfare of others the challenge of the cults is a must it will help you confront the deception of false christs and lying doctrines with the clear well grounded truth of biblical christianity

there is a place that promises acceptance spiritual growth and friendship but instead delivers criticism abuse and exploitation a place that declares marriages will be strengthened treasured and protected but instead weakens diminishes and marginalizes them a place that claims to obey the word of god but in practice weaponizes the word against those who disagree or doubt a place where the good news of a tenderhearted loving savior is blurred by leaders who are controlling traumatizing and self serving a place that calls loudly to the storm tossed at sea only to lure them to the rocks where they flounder and fall apart a place that appeared to be a house of friendship but was a place of betrayal that place might be a christian church it might be a cult it is probably both in the house of friends understanding and healing from spiritual abuse in the christian church is written for survivors of abusive churches their families and friends and all who want to understand spiritual abuse and help the abused dr garrett is a long term pastor of a diverse urban congregation and combines personal experience sound academic research and pastoral theology to address a poorly understood rarely admitted problem today spiritual abuse in christian churches

are we on the brink of a theological war between conservative protestant christianity and the new charismatic protestant christian movement known as the new apostolic reformation nar are they as demonic as some well known pastors say a very debated question this is a book that must be read by every ex catholic that perhaps has second thoughts reading this book is assurance the decision was right and let us not forget those prosperity preachers who constantly ask for money this book exposes them even to their very core beliefs which are shocking and unbelievable

how does a vampire cult differ from a satanic cult how do seemingly normal or ordinary citizens suddenly find themselves committed to a group whose leader promotes criminal activities and isolation from families and friends what should you do if a loved one becomes indoctrinated by a potentially dangerous cult this book focuses on various cults and their often criminal belief systems most readers are shocked by stories of mass suicides and ritualized cult killings but few understand how such crimes come to be committed snow a seasoned police officer with experience working on cult crimes examines those cults that commit offenses from murder and fraud to kidnapping and sexual assault by providing specific accounts of dangerous cults and their destructive acts snow illustrates how seemingly innocent groups can turn pernicious when under the sway of a charismatic leader with an agenda or when members take things too far he offers advice on how to avoid falling victim to cult indoctrination concluding with chapters on how to identify cults how to protect yourself and your family and what to do if a loved one is ensnared by such a group

it is this search for balance and his real desire to speak into living situations that sets johnson s work apart from earlier studies of cults and new religions at the same time his work is innovative in other ways

in this second volume james r lewis and inga b tollefsen bring together established and rising scholars of new religious movements studies for a collection that expands upon the topics covered in the first volume of the oxford handbook of new religious movements and incorporates new theoretical approaches

robert eisler s orpheus the fisher comparative studies in orphic and early christian cult symbolism offers a profound exploration into the intricate and symbolic worlds of orphic and early christian traditions in this scholarly yet accessible work eisler delves into the deep connections and shared motifs between these two ancient belief systems uncovering the rich tapestry of symbolism that underlies their rituals myths and spiritual teachings eisler begins by examining the figure of orpheus the

legendary musician and mystic whose influence permeated the religious landscape of the ancient world by tracing the origins and evolution of orphic cults he reveals how orpheus was venerated as a divine intermediary embodying themes of death resurrection and cosmic harmony through meticulous analysis of ancient texts artifacts and iconography eisler uncovers the profound spiritual insights and esoteric knowledge embedded in orphic traditions transitioning to early christianity eisler highlights the striking parallels between orphic and christian symbolism he explores how early christians adopted and transformed orphic motifs to express their own theological concepts the image of orpheus as a divine fisher of souls for instance finds echoes in the portrayal of christ as a spiritual guide and savior eisler s comparative approach illuminates the fluid boundaries between pagan and christian thought demonstrating how early christianity was deeply influenced by existing religious paradigms orpheus the fisher is more than a comparative study it is a journey into the heart of ancient spirituality eisler s erudite and engaging writing makes complex ideas accessible drawing readers into the fascinating interplay of myth ritual and symbolism his work challenges us to reconsider the origins of religious thought and to appreciate the shared human quest for meaning and transcendence

in the shinto cult a christian study of the ancient religion of japan milton spenser terry embarks on a meticulous exploration of shinto weaving a narrative that deftly balances scholarly rigor with accessible prose terry provides a thorough analysis of shinto s rituals beliefs and historical context situating this ancient japanese religion within both its traditional roots and its interactions with buddhism and western religions employing a comparative lens terry does not shy away from examining the philosophical underpinnings of shinto thus enriching the reader s understanding of its significance in contemporary japan and its impact on japanese identity milton spenser terry an american theologian and scholar of interfaith dialogue was uniquely positioned to undertake this study motivated by a broader mission to foster understanding between christianity and other world religions his extensive background in theology and rich experiences living abroad informed his critical and empathetic approach allowing him to appreciate the complexities of shinto and its cultural significance which he often juxtaposed with christian principles this book is an essential read for scholars theologians and those interested in eastern religions offering not only insight into shinto practices but also thoughtful reflections on cultural exchange and the quest for spiritual understanding terry s balanced perspective invites readers to appreciate the beauty of shinto while contemplating its implications for modern faith practices in this enriched edition we have carefully created added value for your reading experience hand picked memorable quotes shine a spotlight on moments of literary brilliance interactive footnotes clarify unusual references historical

allusions and archaic phrases for an effortless more informed read

the bible is a book concerned with faith because god is a god of relationship the bible traces the lives of many who had a relationship with god as well as many who did not in the bible god tells hosea for i am god and no mortal 11 9 simply put this scripture teaches us that god does not choose as we do for example he delivers the ten commandments into the hands of a murderer a non jewish prostitute is chosen to become the great great grandmother of king david of israel and a hated samaritan becomes the hero of one of jesus most enduring parables these biblical figures can teach us much about grace faith courage and repentance through brief daily readings the bones of the bible reviews and makes relevant some of the people and events of each book of the bible all within the course of a year you will discover that their journeys are not that different from our own and that the one constant we can depend on is the grace of a loving god
