this book presents an analysis and review of work starting with the homeric period then dealing with classical greece and classical rome the early christians and jews the early middle ages the era of charlemagne the high middle ages the views of luther and calvin the english and french enlightenment the nineteenth century the twentieth century and prospects for the future of work it offers a rich and varied tapestry on the complexity of values regarding work criss crossing through crafts occupations and professions through slave and free born employments through lay and religious figures and through rural and urban contexts the permutations of work and its meanings are traced and related to the social and cultural contexts of each period of history dealt with ancient medieval and modern applebaum offers projections for work in the future based on modern day technologies along with work within

the context of new social conditions created by industrial cultures in the modern period the future of work is examined as one of the key elements for the possibility of change in the social structure of industrial cultures at a time when so many people are questioning the work ethic this book provides a valuable perspective on work in past societies how it has developed and been transformed and what are its prospects for the future

in watching tv with a linguist fägersten challenges the conventional view of television as lowbrow entertainment devoid of intellectual activity rather she champions the use of fictional television to learn about linguistics and at the same time promotes enriched television viewing experiences by explaining the role of language in creating humor conveying drama and developing identifiable characters the essays gathered in this volume explore specific areas of linguistics providing a comprehensive yet accessible introduction to the study of language through programs such as seinfeld the simpsons sherlock and the wire contributors deftly illustrate key linguistic concepts and terminology using snippets of familiar dialogue and examples of subtle narration in addition contributors aim to raise linguistic awareness among readers by identifying linguistics in action encouraging readers to recognize additional examples of concepts on their own to this end each chapter provides suggestions for viewing other television series or specific episodes where further examples of the linguistic concepts in focus can be found invaluable as a resource in linguistics and communication courses watching tv with a linguist is the first book to use the familiar and compelling medium of television to engage students with the science of language

this is the best selling undergraduate food preparation textbook in the marketplace it has a long standing reputation for being comprehensive yet easy for students to understand and follow wayne gisslen s reputation for being able to simply yet comprehensively communicate information to beginning chefs is unsurpassed professional cooking seventh edition includes videos that will help further illustrate the correct techniques in the kitchen on top of that there are over 100 new recipes some with particular emphasis on international cooking enhanced visual program includes over 220 new color photos including plated dishes procedures and products approximately 100 new recipes have been added for a total of 650 recipes plus another 600 variations more focus on international recipes and variations enhanced topical coverage on such things as food science molecular gastronomy international recipes and culinary maths chapter 10 understanding meats now includes all information on meat fabrication in one convenient place up to date nutrition guidelines thoroughly revised and enhanced culinare companion recipe management software contains all recipes from the book and 90 bonus recipes the software is available through download with the registration code in the back of the book

lifestyles and subcultures are tools through which people say to themselves and to others who they think they are who they think they are similar to and who they think they are different from lifestyles and subcultures are ways which people adopt to look at their own lives and to try to keep together different roles different practices and different realms which they are involved in lifestyles and subcultures are lenses through which we as observers

analyze society and orientate ourselves within it looking for similarities and differences among individuals and collectivities which allow us to understand their thoughts and their actions this book presents the main analytical approaches through which lifestyles and subcultures have been studied and also proposes a new interpretative perspective today a growing panorama of social phenomena and processes possess intermediate characteristics with regard to those which in the past were identified either as lifestyles or as subcultures the hypothesis is that consequently these phenomena could be explained and interpreted by means of an analytical framework developed by the intersection of these two perspectives and the last part of the book is therefore devoted to the presentation of this innovative framework this book provides new lenses and a fresh view to try to both grasp and understand a constantly changing reality

essentials of professional cooking second edition focuses on fundamental cooking procedures and techniques functions of ingredients and desired results to empower the reader with the keen understanding necessary to prepare virtually any dish to perfection without relying solely on a recipe specially constructed to meet the on the job demands of food service managers the streamlined approach of essentials of professional cooking second edition extends the benefits of this material to students and professionals in hospitality management and food service management

this text provides the first comprehensive and critical introduction to leisure theory from a feminist perspective offering many new insights into how leisure theory has handled the question of gender difference and inequality

representing vulnerabilities in contemporary literature includes a collection of essays exploring the ways in which recent literary representations of vulnerability may problematize its visibilization from an ethical and aesthetic perspective recent technological and scientific developments have accentuated human vulnerability in many and different ways at a cross national and even cross species level disability technological and ecological vulnerabilities are new foci of interest that add up to gender precarity and trauma among others as forms of vulnerability in this volume the literary visualization of these vulnerabilities might help raise social awareness of one's own vulnerabilities as well as those of others so as to bring about global solidarity based on affinity and affect however the literary representation of forms of vulnerability might also deepen stigmatization phenomena and trivialize the spectacularization of vulnerability by blunting readers affective response towards those products that strive to hold their attention and interest in an information saturated global entertainment market

an international journal of general philosophy

traditional marketing approaches must be more effective in a digital world where consumers seek more immersive and personalized experiences businesses need to help to engage with their target audience and to understand their evolving needs and preferences this disconnect hinders their ability to create impactful marketing strategies that resonate with consumers

and drive meaningful interactions consumer experience and decision making in the metaverse offers a solution by exploring how the metaverse transforms consumer behavior and marketing practices the book provides insights into immersive consumer experiences virtual brand presence data driven personalization and more through a collection of research it equips readers with the knowledge and strategies to adapt to this new digital landscape and engage with consumers in innovative ways

issues for fall 1952 and fall 1953 consist of the proceedings of the annual meeting of the canadian agricultural economics society
