this forty year old christian classic and bestseller is a study group favorite this book challenges readers conventional views about god and encourages them to search for a meaningful redefinition of a higher power that is relevant to contemporary existence your god is too small is a groundbreaking work of faith which challenges the constraints of traditional religion in his discussion of god author j b phillips encourages christians to redefine their understanding of a creator without labels or earthly constraints and instead search for a meaningful concept of god phillips explains that the trouble facing many of us today is that we have not found a god big enough for our modern needs in a world where our experience of life has grown in myriad directions and our mental horizons have been expanded to the point of bewilderment by world events and scientific discoveries our ideas of god have remained largely static this inspirational work tackles tough topics and inspires readers to reevaluate and connect more deeply with a god that is relevant to current experience and big enough to command respect and admiration

i pray also for those who will believe in me through their message that all of them may be one father just as you are in me and i am in you too often these words of jesus from john 17 20 21 seem like an unreachable ideal but in your church is too small john armstrong shows that jesus vision of christian unity is for all god s people across social cultural racial and denominational lines with attention to his own pilgrimage and growth in ecclesial awareness john armstrong explores here the evangelical heart and ecumenical breadth of churchly christianity i am encouraged by his explorations and commend this study to all believers who pray and labor for the unity for which our savior prayed timothy george senior editor christianity today dr armstrong s irenic approach should make it easy for christians whether catholic orthodox or protestant to engage the challenging thesis of the book while recognizing that there remain points of doctrine between them which will require further clarification anyone concerned about either evangelism or christian unity should read this book and take seriously its call for both mission and ecumenism fr thomas a baima provost university of saint mary of the lake john armstrong is one of those evangelical theologians may their tribe increase and

the valley abound with their tents who know that full obedience to christ embraces the historical transmission through which we know him this book refuses to scale down the bearer of that tradition the historical church that is or reduce the authority of its voice fr patrick henry reardon senior editor touchstone it s a must for anyone who has grown weary with christian divisiveness and schism and longs to discover ways of strengthening the bonds that unite us in the spirit of christ chuck colson

the title of this volume is of course taken from 2 kgs 6 1 where the prophetic group about elisha point out that their accomodation is too cramped it seemed an apt comment on the capacity of any proposed volume to house and adequate representation of the work that has recently been done on israelite prophecy to this i now have to add the all too ironic confession that the so called pre classical prophets including elisha and his colleagues could not be accomodated in the present volume let no one complain about being misled by the subtitle when the title is so honest there are thirty six items of varying legnth and they divide almost equally between journal articles and excerpts from volumes some of thes of composite authorship naturally they represent one individual s selection from within his personal reading and this itself accounts for only a fraction of the vast scholarly output on the prophets whether since 1875 or since 1975 it will be apparent at several places in the volume that i take with great seriousness the study of near eastern non israelite prophecy as background to the israelite phenomenon so that the first short section the near eastern background was unavoidable editor s preface

from one of the most talented young thinkers in the us a warm funny and intellectually dazzling call for excess ecstasy and disorder in an age of sterility and minimalism time magazine s 100 must read books of 2024 new york times 100 most notable books of 2024 prospect best books of the year 2024 scintillating writing of breadth and power observer seriously precise and very funny telegraph a radical and important book james wood our culture s embrace of minimalism and uniformity has left our souls

impoverished decluttering has reduced our living spaces to empty non places the mindfulness trend has emptied our minds of the thoughts that make us who we are and the regularization of sex has drained it of unpredictability and therefore true eroticism in an age of oppressive sterility and limitation all things are too small is a refreshing and much needed tonic a soul cry for derangement imbalance obsession ravishment and disorder

we can make jesus look very small if we are not careful your jesus is too small explores how a trivialized jesus contributes to a collapsed christian moral character the 2016 election exposed the truth that for many christians character does not count or is a very low priority eighty one percent of white evangelicals voted for president trump not known as a man of high moral character this collapse of character is especially troubling since christians claim to seek after the mind and character of jesus christ what s more the ingrained and unrelenting cultural values combined with our inescapable self centered pursuits bombard us every moment and blight our character after noting how we belittle jesus this book explores ways we can exalt him allowing his character traits to inform and then transform our hearts and minds a credible jesus also means that more tongues will confess him and more knees bow before him and that more people will desire his compassionate character then we will be morally equipped to address the great crises of our day persistent poverty the marginalizing of out groups raging violence and our planet s lingering woes

the 1 new york times bestseller by time s 2019 person of the year greta thunberg is already one of our planet s greatest advocates barack obama the groundbreaking speeches of greta thunberg the young climate activist who has become the voice of a generation including her historic address to the united nations in august 2018 a fifteen year old swedish girl greta thunberg decided not to go to school one day in order to protest the climate crisis her actions sparked a global movement inspiring millions of students to go on strike for our planet forcing governments to listen and earning her a

nobel peace prize nomination no one is too small to make a difference brings you greta in her own words for the first time collecting her speeches that have made history across the globe from the united nations to capitol hill and mass street protests her book is a rallying cry for why we must all wake up and fight to protect the living planet no matter how powerless we feel our future depends upon it

this book was originally published as too small a world the life of francesca cabrini by theodore maynard copyright □ 1945 by bruce publishing company milwaukee title page verso

friedrich nietzsche believed that with the gospel the christian is a useless separated resigned person extraneous to the progress of the world hence to nietzsche the christian message is a virtue of the weak this criticism emanates from the kind of a gospel we have known accepted and preached for centuries a gospel that represented the christian message out of the medieval and reformation theologies with the revival of biblical studies and theology in the eighteenth century and onwards studies on the gospel shifted to more historical approaches paving the way for a more biblical gospel that is faithful to the larger biblical narrative slowly we have rediscovered a different understanding of the gospel that is not limited to a personal and highly spiritualized gospel but one that is more cosmic in its grandeur your gospel is too small invites readers to a whole new world open to men and women toward a vision greater than previously held a world that is even beyond what □bermensch offers to us this is a reformation of the gospel we thought we already knew

too small to ignore will encourage you to turn your good loving intentions into strategic actions and empower you to help change the world and the future forever one child at a time the time has come for a major paradigm shift children are too important and too intensely loved by god to be left behind or left to chance children belong to all of us and we are compelled to intervene on their behalf we must invest in children all across the world in too small to ignore dr stafford issues an urgent call for change his adventures

as a boy raised in a west african village provide an often humorous and always captivating backdrop to his profound and inspiring challenges wess lived the reality of it takes a village to raise a child and calls us to be that loving village for children everywhere

in no moment too small vest focuses on three of the foundations of the benedictine way silence the exploration of scripture and other spiritual writings lectio divina and the hours of prayer these essentials of benedict s sixth century rule of life offer a practical framework for spiritual growth in our own day a path to god through the events and people of ordinary lives in her discussion of lectio on life for example vest provides insight on the reading of our lives as the text in which we find god s word written in the ordinary events of daily life exercises for individuals or groups follow each chapter on silence prayer and holy reading excellent for lenten study groups as well as ongoing prayer or bible study groups

doctors psychologists physiotherapists speech therapists and others whose work is concerned with assessing the performance of children known or suspected to be suffering from a variety of handicaps are becoming increasingly interested in the possible antecedent factors among the perinatal factors which are considered to be possibly relevant low birthweight is prominent but it is important to know whether the effects of being born too soon carry the same implications as those being born too small and what may be the effect of associated biological and social factors this knowledge is important not only as a contribution to the diagnosis but also as a help in deciding about prognosis and the likelihood of response to a particular form of treatment

in too small craig biehl tackles the claims of atheism with a blend of humour and penetrating insight exposing the overconfidence of those who claim to disprove god biehl scrutinises their arguments demonstrating that the finite human mind cannot fathom the infinite god through respectful yet incisive critique he reveals the inconsistencies and blind faith inherent in atheistic assertions this compelling book not only defends the

christian faith but also challenges readers to embrace intellectual humility and the grandeur of divine revelation

there s no available information at this time author will provide once information is available

joel beath and elizabeth price explore this question drawing inspiration from a diverse collection of apartment designs all smaller than 50m2 540ft2 through the lens of five small footprint design principles and drawing on architectural images and detailed floor plans the authors examine how architects and designers are reimagining small space living full of inspiration we can each apply to our own spaces this is a book that offers hope and inspiration for a future of our cities and their citizens in which sustainability and style comfort and affordability can co exist never too small proves living better doesn t have to mean living larger
